The private presentation will feature remarks from Joseph Visconti, President and CEO and Preston Yarborough, Vice President of Product Development. Leadership plans to outline the strategic vision behind the Bahama Boat Works relaunch, its integration under Twin Vee, and the brand's aggressive growth plans.

Media attendees will be guided through several newly launched and upcoming Bahama models, representing the first wave of a much larger product expansion. These vessels showcase a modernized evolution of the Bahama legacy-timeless design, exceptional offshore capability, and meticulous craftsmanship-paired with Twin Vee's engineering, manufacturing scale, and execution discipline.

The Company believes that Bahama Boat Works has long stood for Florida luxury boating at its finest. According to the Company, the brand is being relaunched with an uncompromising commitment to quality-premium materials, world-class fit and finish, advanced hull design,

and boats built to perform offshore while commanding attention at the dock.
