Each week on *This Keeps Happening*, Pharaon will engage in one-off consultations with a variety of anonymous guests. In her national bestselling book, *The Origins of You*, Pharaon explores how to break family patterns so that you can liberate the way you live and love. With her new podcast, she will draw upon over 25,000 hours of experience working with actual clients – individuals, couples and families – to help her guests recognize old wounds that need attention and patterns that may be holding them back. Themes include battling

disconnection with self and in relationships, acceptance of a situation beyond one's control, authenticity in relationships, prioritizing showing up for oneself over others, and more.

Produced by SiriusXM's Stitcher Studios, new episodes of *This Keeps Happening with Vienna Pharaon* will be available every Wednesday on the SiriusXM app and all major podcast listening platforms.

"This show is a beautiful display of what can happen when humans come together to have a raw and real conversation about what's happening in their lives," said Vienna Pharaon. "I'm amazed by the vulnerability and openness, and I'm just as blown away by what we can accomplish in such a short amount of time, creating space for new perspectives, insights, and paths forward."

"I am truly awestruck by Vienna's ability to, without judgment, quickly and compassionately identify patterns of both recent and longtime life experiences," said **Josephine Martorana, Executive Producer at Stitcher Studios**. "Often guests will participate with the expectation of having an interesting conversation, but will leave with an unexpected insight about themselves and the people in their lives."

SXM Media, the combined advertising sales group from Sirius XM Holdings Inc., will have exclusive global ad sales rights for *This Keeps Happening with Vienna Pharaon*
