# NextPlat's Global Telesat Named Exclusive UK and EU Distributor for ZOLEO Satellite Communicators, Further Expanding its Global Network of Connectivity Solution Partnerships

*Powered by the Iridium® Network, ZOLEO Communicators Deliver Seamless Global Messaging Coverage Across Satellite, Cellular and Wi-Fi Networks*

COCONUT GROVE, Fla., May 20, 2025 /PRNewswire/ -- NextPlat Corp ([NASDAQ: NXPL, NXPLW](#)) ("NextPlat" or the "Company"), a global e-Commerce provider, today announced that its subsidiary, [Global Telesat Communications Ltd](#) ("GTC") has been named the exclusive UK and European Economic Area distributor for [ZOLEO Inc. \("ZOLEO"\)](#), [an innovative brand leader in the satellite communicator segment](#).

ZOLEO's flagship product, the award-winning ZOLEO global satellite communicator, extends smartphone messaging coverage worldwide by utilizing the Iridium® satellite network, cellular, and Wi-Fi networks. This device enables users to send and receive messages, access weather forecasts, and trigger SOS alerts with 24/7 monitoring, making it particularly valuable for outdoor enthusiasts, remote workers, and travelers. Notably, ZOLEO has received several industry accolades, including being named as the Outdoor Retailer Innovation Award "Product of the Year." ZOLEO satellite communicators complement GTC's growing portfolio of satellite connectivity products currently sold globally via its e-commerce and Amazon storefronts.

"ZOLEO messengers deliver exceptional global connectivity and peace of mind for anyone who travels beyond mobile network coverage for work or recreation. Its unique design and features make it one of the most capable products of its kind, and one that our large international base of customers will certainly appreciate. We are proud to be named

ZOLEO's exclusive distributor for the UK and European markets and add this exciting and valuable product to our portfolio," said David Phipps, President of NextPlat and CEO of Global Operations, and Managing Director of Global Telesat Communications.

"GTC has built a strong reputation in the market as one of the premier partners for leading connectivity original equipment manufacturers and service providers in the UK and Europe. Its history and long track-record of success makes GTC the ideal distribution partner for ZOLEO as we continue to make outdoor adventuring safer and more connected," added Morris Shawn, President of ZOLEO Inc.

### **About NextPlat Corp**

NextPlat is a global e-commerce platform company created to capitalize on multiple high-growth sectors and markets including technology and healthcare. Through acquisitions, joint ventures and collaborations, the Company intends to assist businesses in selling their goods online, domestically, and internationally, allowing customers and partners to optimize their e-Commerce presence and revenue. NextPlat currently operates an e-Commerce communications division offering voice, data, tracking, and IoT products and services worldwide as well as pharmacy and healthcare data management services in the United States through its subsidiary, Progressive Care LLC.

### **About ZOLEO Inc.**

ZOLEO Inc., established in 2018, is headquartered in Toronto, Canada, and specializes in global messaging solutions that ensure seamless connectivity beyond traditional mobile coverage areas. ZOLEO is pioneering the development of innovative lower cost, consumer-oriented global messaging solutions including wireless devices and apps based on Iridium short burst data (SBD), mobile and Wi-Fi standards. The company serves three primary markets including consumers residing on the fringe of mobile coverage, outdoor recreation users and field workers requiring lone worker safety and remote messaging.

### **Forward-Looking Statements**

Certain statements in this release constitute forward-looking statements. These statements include the capabilities and success of the Company's business and any of its products, services, or solutions. The words "believe," "forecast," "project," "intend," "expect," "plan," "should," "would," and similar expressions and all statements, which are not historical facts, are intended to identify forward-looking statements. These forward-looking statements involve and are subject to known and unknown risks, uncertainties and other factors, including the Company's ability to introduce new products and services and its ability to grow and expand as intended, any of which could cause the Company to not achieve some or all of its goals or the Company's previously reported actual results, performance (finance or operating), including those expressed or implied by such forward-looking statements. More detailed information about the Company and the risk factors that may affect the realization of forward-looking statements is set forth in the Company's filings with the Securities and Exchange Commission (the "SEC"), copies of which may be obtained from the SEC's website at [www.sec.gov](http://www.sec.gov). The Company assumes no, and hereby disclaims any, obligation to update the forward-looking statements contained in this press release.
