# **Genius Brands International Signs Content Partnership Deal With ConnectiVISION TV Networks to Extend Brand Exposure**

## **Baby Genius Videos to Air on Healthcare Channel in Doctors' Offices Across the Country**

SAN DIEGO, April 19, 2012 (GLOBE NEWSWIRE) -- Genius Brands International, Inc. (OTCQB:GNUS), developer and marketer of entertainment products including the award-winning [Baby Genius®](#) line of music and education-based products and characters, today announced that it has signed a Content Agreement with ConnectiVISION TV Networks to provide its original Baby Genius® children's programming for display on ConnectiMed Networks. ConnectiMed broadcasts programming through hundreds of TV screens in hospitals, clinics, and doctor's offices across the United States.

Baby Genius® videos will air alongside some of the most popular shows broadcast on networks including NBC, CBS, Fox, CNBC, and PBS to make the medical waiting room experience more enjoyable and pleasant.

"ConnectiVISION aims to deliver entertaining and educational content to viewers in high dwell, high engagement environments such as medical waiting rooms. Baby Genius® videos are the kind of high quality content that is certain to engage and entertain young children during their wait. We are pleased to partner with Genius Brands and have access to their original content on our networks," stated Henry Mauriss, CEO of ConnectiVISION TV Networks.

"This Content Agreement further expands branding opportunities for Baby Genius®. In pediatricians' and other medical offices, children can now have fun watching our videos while even more parents and grandparents become aware of our brand," added Genius Brands CEO Klaus Moeller. "Baby Genius® videos have been the number one children's video-on-demand on COMCAST and Cox Cable networks for the past five years. These kinds of content agreements grow our brand awareness and brand value while supporting increased sales of our DVDs, CDs, and licensed products. We look forward to a long term agreement with ConnectiVISION as they expand their network in away from home television."
