NetworkNewsBreaks – National Waste Management Holdings, Inc.’s (NWMH) Acquisition Strategy Drives Q3 Growth

National Waste Management (OTC: NWMH) recently announced 269% revenue growth for the third quarter of 2016. Signs point to this being a reflection of revenue growth through acquiring new businesses. “This financial growth is largely attributable to the company’s aggressive acquisition strategy, highlighted through the 2015 acquisitions of Waste Recovery Enterprises and Gateway Rolloff Services. National Waste leveraged this strategy once again in June of this year, when it acquired Sivart Services, a roll-off and compactor business located in Worchester, New York, in an effort to expand its geographic footprint in the northeast while supporting additional revenue growth.”
