At the time the Special Meeting was originally convened, there were insufficient votes to approve Proposal 1, which sought approval to amend the Company's Restated Certificate of Incorporation to effect a reverse stock split of the Company's common stock and reduce the authorized shares of common stock at a ratio of 1-for-25, if and when determined by the Company's board of directors. The record date for the Special Meeting has been changed from December 10, 2020 to January 25, 2021. **Stockholders of record at the close of business on January 25, 2021 are entitled to vote at the Special Meeting.**
