## NOTICE OF ANNUAL GENERAL MEETING OF SHAREHOLDERS TO BE HELD NOVEMBER 9, 2023

To the Shareholders of iAnthus Capital Holdings, Inc.:

NOTICE IS HEREBY GIVEN that the 2023 Annual General Meeting (the “**Meeting**”) of holders of the common shares of iAnthus Capital Holdings, Inc. (the “**Company**” or “**iAnthus**”) will be held on November 9, 2023 at 12:00pm (Eastern Time), online via live webcast. The Meeting will be held for the following purposes:

- (1) to receive the financial statements of the Company for the year ended December 31, 2022, together with the reports of the Company’s auditor thereon;
- (2) to elect six directors to serve until the next annual meeting or until their respective successors are duly elected or qualified (Proposal One);
- (3) to re-appoint PFK O’Connor Davies, LLP, Chartered Professional Accountants as auditor of the Company for the fiscal year ending December 31, 2023 and to authorize the directors to fix their remuneration (Proposal Two); and
- (4) to transact such other business as may properly come before the Meeting or any adjournments or postponement thereof. The foregoing items of business are more fully described in the Proxy Statement accompanying this Notice.

You will find more information on the matters for voting in the Proxy Statement on the following pages. If you are a shareholder of record (also called a registered shareholder), you may vote by mail, by toll-free telephone number or by using the Internet.

This year, shareholders and duly appointed proxyholders can attend the meeting online by going to <http://meetnow.global/MTFWFWV>. Shareholders participating virtually will be able to make motions, raise points of order, submit questions and vote their shares while the meeting is being held. Non-registered (beneficial) shareholders who have not duly appointed themselves as proxyholder will be able to attend the meeting virtually as guests, but guests will not be able to vote or submit questions at the meeting.

**Your vote is important!** We strongly encourage you to exercise your right to vote as a shareholder. Please sign, date and return the enclosed proxy card or voting instruction card in the envelope provided, call the toll-free number or log on to the Internet. You may revoke your proxy at any time before it is exercised.

Proxies, together with copies of the Notice, are being mailed to shareholders of record entitled to vote at the Meeting on or about October 16, 2023.

You will find instructions on how to vote beginning on page 3 of the Proxy Statement. As long as you are a shareholder at the close of business on October 10, 2023, you have the right to vote on the proposals being presented at the Meeting.

If you are a registered shareholder, you are requested to: (i) complete, date and sign the form of proxy and return it to the Company's transfer agent, Computershare Investor Services Inc. ("**Computershare**"), by fax within North America at 1-866-249-7775, outside North America at (416) 263- 9524, or by mail to 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or by hand delivery at 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9; (ii) use a touch-tone phone to transmit voting choices to the toll free number given in the form of proxy (registered shareholders who choose this option must follow the instructions of the voice response system and refer to the proxy form for the toll free number, the holder's account number and the proxy access number); or (iii) log on to Computershare's website at, [www.investorvote.com](http://www.investorvote.com). Registered shareholders must follow the instructions provided on the website and refer to the form of proxy for the holder's account number and the proxy access number at any time prior to the close of business on the second to last business day preceding the day of the Meeting. In order to be valid, proxies must be received by Computershare not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time set for the holding of the Meeting or any adjournment or postponement thereof. If you are not a registered shareholder and receive these materials through your broker or through another intermediary, please complete and return the form of proxy or voting instruction form in accordance with the instructions and within the timeframe provided to you by your broker or by the other intermediary.

Shareholders who wish to appoint a third-party as their proxyholder (i.e., persons other than the persons designated by iAnthus on the form of proxy or identified on their voting instruction form (including a non-registered shareholder who wishes to appoint themselves as proxyholder)) must carefully follow the instructions in this Proxy Statement and on their form of proxy or voting instruction form. If your proxyholder will be attending the meeting virtually, these instructions include the additional step of registering such proxyholder with our transfer agent, Computershare, after submitting their form of proxy or voting instruction form. Failure to register the proxyholder will result in the proxyholder not receiving an invitation code that will act as their online sign-in credentials, which is required for them to vote at the meeting and, consequently, only being able to attend the meeting online as a guest. Non-registered shareholders located in the United States must also provide Computershare with a duly completed legal proxy if they wish to vote virtually at the meeting or appoint a third-party as their proxyholder.

**The persons named in the form of proxy you receive are directors and/or officers of the Company. Each shareholder has the right to appoint a proxyholder other than such persons, who need not be a shareholder, to act for such shareholder and on such shareholder's behalf at the Meeting. To exercise such right, the names of the nominees of management should be crossed out and the name of the shareholder's appointee should be legibly printed in the blank space provided.**

**PROXY STATEMENT  
FOR  
ANNUAL GENERAL MEETING OF SHAREHOLDERS  
TO BE HELD NOVEMBER 9, 2023**

**DATED OCTOBER 5, 2023**

The enclosed proxy (the “**Proxy Statement**”) is being solicited on behalf of the management of iAnthus Capital Holdings, Inc. (the “**Company**” or “**iAnthus**”) for use at the Annual General Meeting of shareholders (the “**Annual General Meeting**” or the “**Meeting**”) to be held on November 9, 2023 at 12:00pm (Eastern Time) via online webcast, or at such other time and place to which the Meeting may be adjourned or postponed. Proxies, together with copies of the Notice, are being mailed to shareholders of record entitled to vote at the Meeting on or about October 10, 2023.

In this Proxy Statement, references to “**we**,” “**us**” and “**our**” refer to the Company. “**Shares**” means common shares without par value in the capital of the Company. Unless otherwise specified, references to “**C\$**” are to Canadian dollars and references to “**\$**” or “**US\$**” are to US dollars.

This year, iAnthus is conducting a virtual only shareholders’ meeting. Registered shareholders and duly appointed proxyholders can attend the meeting online at <http://meetnow.global/MTFWFWV> to participate, vote, or submit questions during the meeting’s live webcast. Non-registered (beneficial) shareholders who have not duly appointed themselves as proxyholder will be able to attend the meeting virtually as guests, but guests will not be able to vote or submit questions at the meeting.

If you attend the meeting virtually, it is important that you are connected to the internet at all times during the meeting in order to vote when balloting commences. You should ensure you have a strong, preferably high-speed, internet connection wherever you intend to participate in the meeting. The meeting will begin promptly at 12:00 p.m. (Eastern time) on November 9, 2023, unless otherwise adjourned or postponed.

**Registered Shareholders and duly appointed proxyholders** can participate in the meeting by clicking “**Shareholder**” and entering a Control Number or an Invite Code before the start of the meeting.

- Registered Shareholders: the 15-digit control number is located on the Form of Proxy you received.
- Duly appointed proxyholders: Computershare Investor Services Inc. will provide the proxyholder with an Invite Code by email after the voting deadline has passed.

**United States Beneficial Shareholders:** To attend and vote at the virtual meeting, you must first obtain a valid Legal Proxy from your broker, bank or other agent and then register in advance to attend the meeting. Follow the instructions from your broker or bank included with the Proxy materials or contact your broker or bank to request a Legal Form of Proxy. After first obtaining a valid Legal Proxy from your broker, bank or other agent, you must submit a copy of your Legal Proxy

to Computershare in order to register to attend the meeting. Requests for registration should be sent:

By mail to:       COMPUTERSHARE  
                  100 UNIVERSITY AVENUE 8TH FLOOR  
                  TORONTO, ON M5J 2Y1

By email at:      USLegalProxy@computershare.com

Requests for registration must be labeled as “Legal Proxy” and be received no later than November 7, 2023, 12:00pm. You will receive a confirmation of your registration by email after we receive your registration materials. You may attend the meeting and vote your shares at <http://meetnow.global/MTFWFWV> during the meeting. Please note that you are required to register your appointment at <http://www.computershare.com/lanthus1>.

Attending and voting at the meeting will only be available for Registered Shareholders and duly appointed proxyholders. **Non-Registered Shareholders** who have not appointed themselves as proxyholders to participate and vote at the meeting may login as a guest, by clicking on “**Guest**” and complete the online form; however, they will not be able to vote or submit questions. **Non-Registered Shareholders** who have not appointed themselves as proxyholders to participate and vote at the meeting will not be able to attend the meeting online.

Execution and return of the enclosed proxy will not affect a registered shareholder’s right to attend the Meeting virtually and to vote online at the Meeting. Any shareholder executing a proxy retains the right to revoke such proxy at any time prior to exercise at the Meeting. A proxy may be revoked by delivery of written notice of revocation to the Secretary of the Company, by execution and delivery of a later proxy or by voting the shares online at the Meeting. If you attend the Meeting virtually and vote online by ballot, your proxy will be revoked automatically and only your vote at the Meeting will be counted. A proxy, when executed and not revoked, will be voted in accordance with the instructions thereon. In the absence of specific instructions, proxies will be voted by those named in the proxy “**FOR**” the election as directors of those nominees named in the Proxy Statement, “**FOR**” the approval of each of the other proposals described in this Proxy Statement, and in accordance with the best judgment of the board of directors of the Company (the “**Board**”) on all other matters that may properly come before the Meeting. The enclosed form of proxy card provides a method for shareholders to withhold authority to vote for any one or more of the nominees for director while granting authority to vote for the remaining nominees. The names of all nominees are listed on the proxy.

Note that if you hold some Shares as a registered shareholder and others as a non-registered shareholder you will receive multiple mailing packages, each containing a form of proxy or voting instruction form, as applicable. You are requested to return or otherwise vote all forms of proxy and voting instruction forms received to ensure the votes attached to all of the Shares you hold are counted.

Shareholders who wish to appoint a third-party as their proxyholder (i.e., persons other than the persons designated by iAnthus on the form of proxy or identified on their voting instruction form (including a non-registered shareholder who wishes to appoint themselves as proxyholder)) must carefully follow the instructions in this Proxy Statement and on their form of proxy or voting instruction form. If your proxyholder will be attending the meeting virtually, these instructions include the additional step of registering such proxyholder with our transfer agent, Computershare, after submitting their form of proxy or voting instruction form. Failure to register the proxyholder will result

in the proxyholder not receiving a username that will act as their online sign-in credentials, which is required for them to vote at the meeting and, consequently, only being able to attend the meeting online as a guest. Non-registered shareholders located in the United States must also provide Computershare with a duly completed legal proxy if they wish to vote virtually at the meeting or appoint a third-party as their proxyholder.

Shareholders who wish to appoint a third-party proxyholder to represent them at the meeting must submit their Proxy or Voting Instruction Form (as applicable) prior to registering their proxyholder. Registering the proxyholder is an additional step once a Shareholder has submitted their Proxy/Voting Instruction Form. Failure to register a duly appointed proxyholder will result in the proxyholder not receiving an Invite Code to participate in the meeting.

To register a proxyholder, Shareholders MUST visit <https://www.computershare.com/lanthus1> by November 7, 2023 and provide Computershare with their proxyholder's contact information, so that Computershare may provide the proxyholder with an Invite Code via email.

Without an Invite Code, proxyholders will not be able to attend and vote at the meeting. A Registered Shareholder (or a Non-Registered Shareholder) who has appointed themselves or appointed a third-party proxyholder to represent them at the meeting, will appear on a list of proxyholders prepared by Computershare, who is appointed to review and tabulate proxies for this meeting. To be able to vote their shares at the meeting, each Registered Shareholder or proxyholder will be required to enter their control number or Invite Code provided by Computershare at <http://meetnow.global/MTFWFWV> prior to the start of the meeting.

In order to vote, Non-Registered Shareholders who appoint themselves as a proxyholder MUST register with Computershare at <http://www.computershare.com/lanthus1> AFTER submitting their voting instruction form in order to receive an Invite Code.

### **ADVICE TO BENEFICIAL HOLDERS OF SHARES**

The information set forth in this section is of significant importance to many shareholders, as a substantial number of shareholders do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this document as "**Beneficial Shareholders**") should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered shareholders can be recognized and acted upon at the Meeting. If shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in the shareholder's name on the records of iAnthus. Such Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). In the United States, the vast majority of such Shares are registered under the name of Cede & Co. Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting Shares for the broker's clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions which should be carefully followed

by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided to registered shareholders; however, its purpose is limited to instructing the registered shareholder how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically mails a scannable voting instruction form in lieu of the form of proxy. The Beneficial Shareholder is requested to complete and return the voting instruction form to them by mail or facsimile. Alternatively, the Beneficial Shareholder can call a toll-free telephone number or visit [www.proxyvote.com](http://www.proxyvote.com) to vote the Shares held by the Beneficial Shareholder. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. A Beneficial Shareholder receiving a voting instruction form cannot use that voting instruction form to vote shares directly at the virtual Meeting as the voting instruction form must be returned as directed by Broadridge well in advance of the Meeting in order to have the shares voted.

Although a Beneficial Shareholder may not be recognized directly at the virtual Meeting for the purposes of voting shares registered in the name of his or her broker (or agent of the broker), a Beneficial Shareholder may virtually attend at the Meeting as proxyholder for a registered shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to virtually attend the Meeting and indirectly vote their shares as proxyholder for a registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

The Company intends to send proxy related materials indirectly through intermediaries and brokers to non-objecting beneficial owners under National Instrument 54-101—*Communication with Beneficial Owners of Securities of a Reporting Issuer*. The Company will not pay for the costs of delivery of proxy related materials to objecting beneficial owners. An objecting beneficial owner will not receive the materials unless the objecting beneficial owner’s intermediary assumes the cost of delivery.

## RECORD DATE AND VOTING SECURITIES

Only shareholders of record at the close of business on October 10, 2023 (the “**Record Date**”), are entitled to notice of, and to vote at, the Meeting. The stock transfer books of the Company will remain open between the Record Date and the date of the Meeting. The authorized capital of the Company consists of an unlimited number of Shares. The Shares are without par value and carry the right to one vote each. The Shares are listed on the Canadian Securities Exchange (the “**CSE**”) and the OTC Market (the “**OTC**”), and as of October 10, 2023, the Company had 6,529,081,509 fully paid and non-assessable Shares outstanding.

No group of shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Shares. Certain shareholders have the right to nominate candidates for election to the Board as described below.

## PRINCIPAL HOLDERS OF VOTING SECURITIES

As of the date hereof, to the knowledge of the directors and executive officers of the Company, the only persons who beneficially own, or control or direct, directly or indirectly, Shares carrying 10% or more of the voting rights attached to all outstanding Shares of each class are set out below:

| <b>Name</b>                | <b>Number and Percentage of Shares</b>                          |
|----------------------------|---|
| Gotham Green Partners, LLC | Approximately 2,571,938,241 Shares (39.81% of the total Shares) |

|  |   |
|--|---|
| Oasis Investments II Master Fund Ltd.                | Approximately 1,265,120,771 Shares (19.58% of the total Shares) |
| Senvest Global (KY), LP and Senvest Master Fund, LP. | Approximately 1,062,701,449 Shares (16.45% of the total Shares) |

In connection with the closing of the Recapitalization Transaction (See “*The Recapitalization Transaction*”, below), the Company entered into an Investor Rights Agreement (“**IRA**”) dated June 24, 2022 with ICM and certain investors (the “**Investors**”). Pursuant to the IRA, on the record date in respect of any meeting of the shareholders of the Company, if (i) the number of Debt Exchange Common Shares held by the First Investor (as defined herein) at such time; plus (ii) the number of Non-Participating Secured Lender Shares (as defined in the IRA) at such time would represent more than 35.78% of the votes attached to all of the issued and outstanding Shares, then, unless Supermajority Board Approval is obtained, the First Investor shall not vote at such meeting of the shareholders such number of its Debt Exchange Common Shares (the “**Non-Votable First Investor Debt Exchange Common Shares**”) that would otherwise result in the Secured Lenders (as defined in the IRA) being able to vote more than 35.78% of the votes attached to all of the issued and outstanding Shares (for purposes of calculating the number of Non-Votable First Investor Debt Exchange Common Shares, such shares shall be excluded from the total number of issued and outstanding Shares). Notwithstanding the foregoing, such voting restriction shall not apply in respect of a vote in favor of a Change of Control Transaction (as defined in the IRA). Such voting restriction shall cease to apply on the earlier of (i) the date that the Debt Exchange Common Share Percentage of each of the Second Investor (as defined herein), the Third Investor (as defined herein) and the Fourth Investor (as defined herein) is less than 5%; and (ii) June 24, 2025. Moreover, until June 24, 2025, unless Supermajority Board Approval is obtained, the First Investor shall not, directly or indirectly, acquire Shares that will cause the First Investor’s Common Share Percentage (as defined in the IRA) to exceed the percentage calculated as follows: (i) 49.9%, minus (ii) the percentage resulting from the number of Non-Participating Secured Lender Shares divided by the total number of Shares issued and outstanding at the time such determination is made.

## QUORUM AND VOTING

Under the articles of the Company (the “**Articles**”), a quorum of shareholders is at least one person who is, or who represents by proxy, one or more shareholders who, in the aggregate, hold at least 5% of the issued Shares entitled to be voted at the meeting. All votes will be tabulated by the scrutineer appointed for the Meeting. Abstentions and broker non-votes are counted as present for establishing a quorum.

Assuming the presence of a quorum, the following paragraphs describe the vote required by the shareholders of record to approve each of the proposals to be voted on set forth in this Proxy Statement.

- **Proposal One.** The nominees for director who receive the most votes cast by the holders of the Shares entitled to vote at the Meeting and present virtually or by proxy (also known as “**plurality**” of the votes cast) will be elected.
- **Proposal Two.** The affirmative vote of a majority of the votes cast by holders of the Shares entitled to vote at the Meeting and present virtually or by proxy, is required for the re-appointment of PFK O’Connor Davies, LLP (“**PFK LLP**”) as the Company’s auditor for the fiscal year ending December 31, 2023 and to authorize the Board to fix the remuneration thereof.

**The Board recommends a vote “FOR” each of proposals set forth in this Proxy Statement.**

You should ensure you have a strong, preferably high-speed, internet connection wherever you intend to participate in the meeting. The meeting will begin promptly at 12:00 p.m. (Eastern time) on November 9, 2023, unless otherwise adjourned or postponed.

You are entitled to participate in the Meeting if you were a shareholder as of the close of business on the Record Date, or hold a valid proxy for the Meeting.

### **What items of business will be voted on at the Meeting?**

The items of business scheduled to be voted on at the Meeting are:

- (1) to elect six directors to serve until the next Annual General Meeting or until their respective successors are duly elected or qualified (Proposal One);
- (2) to re-appoint PFK LLP as our auditor for the fiscal year ending December 31, 2023 and to authorize the directors to fix their remuneration (Proposal Two); and
- (3) to transact such other business as may properly come before the Meeting or any adjournments or postponement thereof.

### **How does the Board recommend that I vote?**

The Board recommends a vote “**FOR**” each of the proposals (including each director nominee) set forth in this Proxy Statement.

### **Who can vote at the Meeting?**

Shareholders who owned Shares on the Record Date may attend and vote at the virtual Meeting.

### **How many votes am I entitled to per share?**

Each Share entitles the holder thereof to one vote on each proposal (and each director nominee) at the Meeting.

There were 6,529,081,509 fully paid and non-assessable Shares outstanding on the Record Date. There are no cumulative voting rights. Information about the holdings of Shares by our directors and executive officers is contained in the section of this Proxy Statement entitled “*Security Ownership of Certain Beneficial Owners and Management*”.

### **What is the difference between a shareholder of record and a beneficial owner of Shares held in street name?**

If your Shares are registered directly in your name through Computershare, the Company’s transfer agent, you are considered a “shareholder of record.” If your Shares are held in a brokerage account or bank, you are considered a “street name” holder.

How do I vote if Shares are registered in my name (as a shareholder of record)?

*By Mail:* complete, date and sign the proxy card and return it to the Company’s transfer agent, Computershare Investor Services Inc. (“**Computershare**”), by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail to 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or by hand delivery at 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9.

*By Telephone or Internet:* use a touch-tone phone to transmit voting choices to the toll free number given in the proxy card. Registered shareholders who choose this option must follow the instructions of the voice response system and refer to the proxy card for the toll free number, the holder’s account number and the proxy access number; or log on to Computershare’s website at [www.investorvote.com](http://www.investorvote.com). Registered shareholders must follow the instructions provided on the website and refer to the proxy card for the holder’s account number and the proxy access number.

*By Virtually Attending the 2023 Annual General Meeting:* participate in our Meeting virtually via live online webcast at <http://meetnow.global/MTFWFWV>, and if previously submitted a proxy, withdraw your earlier proxy and vote at the virtual Meeting online. To vote online at the Meeting, you do not need to complete or return your proxy. Simply login to the Meeting and complete a ballot online during the Meeting.

The “*Telephone or Internet*” voting procedures are designed to allow you to vote your Shares and to confirm that your instructions have been properly recorded consistent with applicable law. Please see your proxy card for specific instructions. Shareholders who wish to vote over the Internet should be aware that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, and that there may be some risk a shareholder’s vote might not be properly recorded or counted because of an unanticipated electronic malfunction.

### **How do I vote if my Shares are held in “street name?”**

You should give instructions to your broker on how to vote your Shares.

If you do not provide voting instructions to your broker, your broker may have discretion to vote those Shares on matters that are routine. However, a broker may not be able to vote Shares on non-routine matters without your instructions. Accordingly, your broker may not have the discretion to vote Shares as to which you have not provided voting instructions with respect to any of these matters or may seek them from you.

### **What is a broker Non-vote?**

“Broker non-votes” are shares that are held in “street name” by a bank, brokerage firm or other nominee that indicates on its proxy that it does not have or did not exercise discretionary authority to vote on a particular matter. If you do not instruct your brokerage firm, bank or other nominee how to vote with respect to these proposals, your brokerage firm, bank or other nominee may not vote with respect to these proposals and those Shares that would have otherwise been entitled to be voted will be counted as “broker non-votes.”

Setting the number of directors at six and the election of directors, are non-discretionary matters and your brokerage firm, bank or other nominee will not be able to vote on this proposal if you do not provide instructions on how to vote. Ratification of the selection of our independent registered public accounting firm, is considered a discretionary matter, and your brokerage firm, bank or other nominee will be able to vote on this proposal even if it does not timely receive instructions from you, so long as it holds your Shares in its name.

### **What is an Abstention?**

An abstention is a shareholders’ affirmative choice to decline to vote on a proposal.

### **What is the proxy card?**

The proxy card enables you to appoint Richard Proud, our Chief Executive Officer, and Philippe Faraut, our Chief Financial Officer, as your representatives at the Meeting. By completing and returning the proxy card, you are authorizing these persons to vote your Shares at the Meeting in accordance with your instructions on the proxy card. This way your Shares will be voted whether or not you attend the Meeting. Even if you plan to virtually attend the Meeting, it is strongly recommended you complete and return your proxy card before the Meeting date just in case your plans change. If a proposal comes up for vote at the Meeting that is not on the proxy card, the proxy will vote your Shares, under your proxy, according to their best judgment to the extent permissible by applicable law.

### **Can I revoke my proxy or change my vote after I have voted?**

If your Shares are registered in your name, you may revoke your proxy at any time before it is exercised. There are several ways you can do this:

- by delivering a written notice of revocation to the Secretary of the Company;
- by executing and delivering another proxy that bears a later date;
- by voting by telephone at a later time;
- by voting over the Internet at a later time; or
- by voting online at the virtual Meeting.

If your Shares are held in street name, you must contact your broker to revoke your proxy.

### **How are votes counted?**

In tallying the results of the voting, the Company will count all properly executed and unrevoked proxies that have been received in time for the Meeting. To hold a meeting of shareholders, a quorum of the Shares is required to be represented either virtually or by proxy at the Meeting.

A simple majority of affirmative votes cast online virtually or by proxy at the Meeting is required to pass the resolution(s) contemplated by Proposals Two.

### **What are my options when voting on Proposal One?**

What are my options when voting for directors (Proposal One)? When voting to elect directors, you have two options:

- Vote FOR a nominee; or
- WITHHOLD from voting on a nominee.

It is the intention of the management designees, if named as proxy, to vote “**FOR**” the election of each of the persons named in Proposal One to the Board unless otherwise directed. Shareholders can vote “**FOR**” all of the proposed directors set forth herein, vote for some of them and “**WITHHOLD**” for others, or “**WITHHOLD**” for all of them. Abstention is not available for Proposal One. Broker non-votes will have no impact on the election of directors.

Management does not contemplate that any of the nominees will be unable to serve as a director. However, if for any reason any of the proposed nominees does not stand for election or is unable to serve as such, the management designees, if named as proxy, reserve the right to vote for any other nominee in their sole discretion unless you have specified in your proxy that your Shares are to be withheld from voting on the election of that particular director.

### **What are my options when voting on Proposal Two?**

When voting on Proposal Two, you have two options:

- Vote FOR the proposal; or
- WITHHOLD from voting on the Proposal Two requires the affirmative vote of a majority of the votes cast by the holders of the Shares entitled to vote at the Meeting and present online virtually or by proxy. If you indicate on your proxy card that you wish to “**WITHHOLD**” your vote on Proposal 2, your withheld votes are not counted in determining the number of Shares voted “**FOR**” any proposal but will be counted as present and entitled to vote on the proposal.

An abstention or broker non-vote for Proposal Two will not be counted as a vote cast and will have no effect on the proposal.

### **How will my Shares be voted if I sign and return my proxy card with no votes marked?**

If you sign and return your proxy card with no votes marked, your Shares will be voted “**FOR**” each of proposals set forth in this Proxy Statement.

### **How are proxies solicited and what is the cost?**

The Company may actively solicit proxy participation. The Company encourages banks, brokers and other custodian nominees and fiduciaries to supply proxy materials to shareholders, and reimburses them for their expenses. However, the Company does not reimburse its own employees for soliciting proxies.

### **Is my vote kept confidential?**

Proxies, ballots and voting tabulations identifying shareholders are kept confidential and will not be disclosed except as may be necessary to meet legal requirements.

### **Where do I find the voting results of the Meeting?**

We will announce voting results at the Meeting. The final voting results will be tallied by the scrutineer and published in a Current Report on Form 8-K, which the Company is required to file with the SEC within four business days following the Meeting. A copy of the report will also be available on SEDAR+.

### **Do I have any appraisal rights?**

Neither the *Business Corporations Act* (British Columbia) (the “**BCBCA**”) nor our Articles provide for appraisal or other similar rights for dissenting shareholders in connection with the proposals at this Meeting. Accordingly, our shareholders will have no right to dissent and obtain payment for their shares.

### **Are there any other matters to be handled at the Meeting?**

We are not currently aware of any business to be acted upon at the Meeting other than the proposals discussed in this Proxy Statement. The form of proxy accompanying this Proxy Statement confers discretionary authority upon the named proxy holders with respect to amendments or variations to the matters identified in the accompanying Notice of Meeting and with respect to any other matters which may properly come before the Meeting or at any adjournment(s) or postponement(s) of the Meeting. If other matters do properly come before the Meeting, or at any adjournment(s) or postponement(s) of the Meeting, Shares, represented by properly submitted proxies, will be voted by the proxy holders in accordance with their best judgment to the extent permitted by applicable law.

### **Who can help answer my questions?**

You can contact our Chief Executive Officer, Richard Proud at Richard.Proud@ianthus.com or by sending a letter to Mr. Proud at the Company’s headquarters at iAnthus Capital Holdings, Inc., 214 King Street, Suite 314, Toronto, Ontario, M5H 3S6, with any questions about the proposals described in this Proxy Statement or how to execute your vote.

It is intended that the persons named in the following table will be nominated as directors of the Company and that the persons named in the accompanying proxy, unless otherwise directed, will vote for the election of such nominees at the Meeting. Each of the nominees has indicated their willingness to serve as a member of the Board, if elected. However, in the event any nominee shall become unavailable for election to the Board for any reason not presently known or contemplated, the proxy holders will be vested with discretionary authority in such instance to vote the enclosed form of proxy for such substitute as the Board shall designate. Among other things, the Advance Notice Provision fixes a deadline by which holders of voting shares of the Company must submit director nominations to the Company prior to any annual general or special meeting of shareholders and sets forth the minimum information that a shareholder must include in the notice to the Company for the notice to be in proper written form. For further information, see “*Shareholder Nominations to the Board of Directors*” in this Proxy Statement. The foregoing is merely a summary of the Advance Notice Provision, is not comprehensive and is qualified by the full text of such provision in the Articles, a copy of which is filed as an exhibit to the Company’s 2022 Annual Report on Form 10-K filed with the SEC at [www.sec.gov](http://www.sec.gov) and available under the Company’s SEDAR+ profile at [www.sedarplus.ca](http://www.sedarplus.ca).

### **Board’s Role in Risk Oversight and Management**

Our Board has responsibility for the oversight of the Company’s risk management processes and, either as a whole or through its committees, regularly discusses with management our major risk exposures, their potential impact on our business and the steps we take to manage them. The risk oversight process includes receiving regular reports from board committees and members of senior management to enable our Board to understand the Company’s risk identification, risk management and risk mitigation strategies with respect to areas of potential material risk, including operations, finance, legal, regulatory, strategic and reputational risk.

### **Director Nomination Process**

Our Board believes that its directors should have the highest professional and personal ethics and values, consistent with the Company’s longstanding values and standards. They should have broad experience at the policy-making level in business, government or civic organizations. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on their own unique experience. Each director must represent the interests of the Company. When considering potential director candidates, our Board also considers the candidate’s independence, character, judgment, diversity, age, skills,

including financial literacy, and experience in the context of our needs and those of our Board. Our Board believes that diversity is an important attribute of the members who comprise our Board and that the members should represent an array of backgrounds and experiences and should be capable of articulating a variety of viewpoints. Our Board's priority in selecting board members is the identification of persons who will further the interests of our shareholders through his or her record of professional and personal experiences and expertise relevant to our business. Also see "*Board Diversity*" in this Proxy Statement.

Pursuant to the IRA, which is further described under "*The Recapitalization Transaction*" in this Proxy Statement, certain shareholders are entitled to designate nominees for election or appointment to the Board.

The First Investor has nominated Mr. Cohen, Ms. Mathews-Spradlin and Mr. Gilbert. Mr. Shoghi has been nominated by the Second Investor and Mr. Paterson has been nominated by the Fourth Investor. The Third Investor initially nominated Zachary Arrick as a member of the Board, but Mr. Arrick resigned from the Board, effective as of February 21, 2023. The Third Investor is entitled to appoint a director fill the vacancy created by the resignation of Mr. Arrick, but as of the Record Date, such vacancy has not been filled.

#### *Nominating and Corporate Governance Committee*

The nominating and corporate governance committee (the "**Nominating and Corporate Governance Committee**") is responsible for, among other things:

- developing and recommending criteria for Board membership and recommending Board nominees including reviewing candidates recommended by shareholders;
- recommending committee nominees;
- considering matters of corporate governance;
- reviewing and advising regarding the functions of senior officers; and
- reviewing succession plans with respect to officers.

Pursuant to the IRA, the Nominating and Corporate Governance Committee shall be comprised of such directors as the Board may determine. The Nominating and Corporate Governance Committee currently consists of Alexander Shoghi, John Paterson and Scott Cohen with Alexander Shoghi serving as the Chair. The Nominating and Corporate Governance Committee met 9 times during 2022. The Board adopted a written charter for the Nominating and Corporate Governance Committee, which is available on the Company's website at [www.ianthus.com/team/board-committees](http://www.ianthus.com/team/board-committees). The inclusion of our website address in this Proxy Statement does not include or incorporate by reference the information on our website into this Proxy Statement.

#### **Shareholder Nominations to the Board**

Shareholders wishing to recommend persons for consideration as nominees for election to the Board can do so by writing to an officer of the Company at 214 King Street, Suite 314, Toronto, Ontario, M5H 3S6, attention: CEO, CFO or Corporate Secretary. Notice must set forth the following information for each person whom the nominating shareholder proposes to nominate for election as a director: (A) the name, age, business address and residence address of the person, (B) the principal occupation or employment of the person, (C) the class or series and number of shares in the capital of the Company which are controlled or which are owned beneficially or of record by the person as of the record date for the meeting of shareholders (if such date shall then have been

made publicly available and shall have occurred) and as of the date of such notice, (D) a statement as to whether such person would be “independent” of the Company (within the meaning of NI 52-110), if elected as a director at such meeting and the reasons and basis for such determination and (E) any other information relating to the person that would be required to be disclosed in a dissident’s proxy circular in connection with solicitations of proxies for election of directors. The Nominating and Governance Committee will consider the candidate and the candidate’s qualifications in the same manner in which it evaluates nominees identified by the Nominating and Governance Committee. The Nominating and Governance Committee may contact the shareholder making the nomination to discuss the qualifications of the candidate and the shareholder’s reasons for making the nomination. The nominating process described above applies only with respect to the selection of director candidates whom the Nominating and Governance Committee will recommend to the Board for inclusion in the slate of candidates for election at the Annual Meeting.

The Nominating and Corporate Governance Committee will also consider nominees to our Board recommended by shareholders if shareholders comply with the requirements of our Articles and BCBCA. Director nominations by a shareholder or group of shareholders for consideration by our shareholders at our Annual General Meeting of shareholders, or at a special meeting of our shareholders that includes on its agenda the election of one or more directors, may only be made in accordance with the IRA, our Articles and applicable law. Where a third party has the right to nominate one or more directors to the Company’s Board, such as pursuant to the IRA, the selection and nomination of such directors need not be subject to this process.

Pursuant to our Articles, nominations of persons for election to the Board may be made by any shareholder of the Company (a “**Nominating Shareholder**”) who, at the close of business on the Meeting Notice Date (as defined below) and on the record date for the notice of the Annual Meeting, is entered in the securities register as a holder of one or more shares carrying the right to vote at the Annual Meeting or who beneficially owns shares that are entitled to be voted at such meeting, and who complies with the notice procedures set forth below. For a nomination to be made by a Nominating Shareholder, such Nominating Shareholder must give timely notice thereof in proper written form to an officer of the Company in accordance with the Articles. The Nominating Shareholder’s notice must include the information about the Nominating Shareholder and the director-nominee, as well as satisfaction of certain eligibility requirements by the director-nominee, as set forth in the Articles.

To be timely under the Articles, a Nominating Shareholder’s notice must be received by an officer of the Company not less than 30 days or more than 65 days prior to the date of the Annual Meeting; provided, however, that in the event that the Annual Meeting is to be held on a date that is less than 40 days after the date on which the first public announcement of the date of the Annual Meeting was made (the “**Meeting Notice Date**”), the Nominating Shareholder’s notice must be so received not later than the close of business on the 10th day following the Meeting Notice Date. The public announcement of an adjournment of the Annual Meeting does not commence a new time period for the giving of a Nominating Shareholder’s notice. In the case of a special meeting (which is not also an annual meeting) of shareholders called for the purpose of electing directors (whether or not called for other purposes), notice must be made not later than the 15th day following the day on which the first public announcement of the date of the special meeting of shareholders was made.

The foregoing is merely a summary of the Advance Notice Provision, is not comprehensive and is qualified by the full text of such provision in the Articles, a copy of which is filed as an exhibit to the Company’s 2022 Annual Report on Form 10-K filed with the SEC at [www.sec.gov](http://www.sec.gov) and available under the Company’s SEDAR+ profile at [www.sedarplus.ca](http://www.sedarplus.ca).

## **Changes in Nominating Procedures**

There were no material changes to the procedures by which shareholders may recommend nominees to the Board during the year ended December 31, 2022.

## **Board Mandate and Committees**

The Board has a written mandate that governs the Board. The Board meets on a regular basis and holds additional meetings as required to deal with the Company's business.

Additionally, the Board is empowered by governing corporate law, the Company's Articles and its corporate governance policies to manage or supervise the management of the affairs and business of the Company. The Board carries out its responsibilities directly and through three Board committees, the audit committee (the "**Audit Committee**"), the compensation committee (the "**Compensation Committee**") and the Nominating and Corporate Governance Committee, each of which operate under a written committee charter approved by the Board. The composition and responsibilities of each committee of our Board are described in this Proxy Statement. Members serve on these committees until their resignation or until otherwise determined by our Board. Our Board may establish other committees as it deems necessary or appropriate from time to time.

Although each committee is directly responsible for evaluating certain enumerated risks and overseeing the management of such risks, the entire Board is generally responsible for and is regularly informed through committee reports about such risks and any corresponding remediation efforts designed to mitigate such risks. In addition, appropriate committees of the Board receive reports from senior management within the organization in order to enable the Board to understand risk identification, risk management and risk mitigation strategies. When a committee receives such a report, the chairman of the relevant committee reports on the discussion to the full Board during the committee reports portion of the next Board meeting. This enables the Board and its committees to coordinate the risk oversight role.

### *Audit Committee*

The IRA provides that the Audit Committee shall be comprised of one nominee designated by each of the First Investor, the Second Investor and the Third Investor. The current members of our Audit Committee are Scott Cohen as Chair, Michelle Mathews-Spradlin and John Paterson. After reviewing the qualifications of the members of the Audit Committee, and any relationships they may have with us that might affect their independence, the Board has determined that Scott Cohen, Michelle Mathews-Spradlin and John Paterson are independent of the Company. In addition, our Board of Directors has determined that Scott Cohen qualifies as an "audit committee financial expert," as such term is defined in Item 407(d)(5) of Regulation S-K. Our audit committee met 4 times during 2022.

The main function of the Audit Committee is to oversee our accounting and financial reporting processes, internal systems of control, independent registered public accounting firm relationships and the audits of our financial statements. The committee's responsibilities include, among other things:

- overseeing the work of the external auditors in preparing or issuing the auditor's report, including the resolution of disagreements between management and the external auditors regarding financial reporting and audit scope or procedures;
- determining whether adequate controls are in place over annual and interim financial reporting as well as controls over our assets, transactions and the creation of obligations, commitments and liabilities;
- reviewing our financial statements;

- reviewing transactions with related persons;
- reviewing all non-audit services which are proposed to be provided by the external auditors to us or any of our subsidiaries;
- establishing procedures for complaints received by us regarding accounting matters; and
- reviewing the policies and procedures in effect for considering officers' expenses and perquisites.

#### Relevant Education and Experience

Each of the current and proposed members of the Audit Committee is financially literate (as such term is defined in National Instrument 51- 102 Continuous Disclosure Obligations (“**NI 51-102**”)) and has adequate education and experience that is relevant to their performance as an Audit Committee member and, in particular, the requisite education and experience that have provided the member with:

- an understanding of the accounting principles used by the issuer to prepare its financial statements, and the ability to assess the general application of those principles in connection with estimates, accruals and reserves;
- experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the issuer's financial statements, or experience actively supervising individuals engaged in such activities; and
- an understanding of internal controls and procedures for financial reporting.

#### Audit Committee Oversight

On March 30, 2023 the Audit Committee recommended to the Board to accept the resignation of Marcum LLP as auditor of the Company, and recommended the appointment of PFK LLP as auditor of the Company. The Audit Committee has not recommended any other auditor since the commencement of the Company's most recently completed financial year, other than PFK LLP.

#### Reliance on Certain Exemptions

At no time has the Company relied on the exemption in Section 2.4 of NI 52-110 (*De Minimis* Non-audit Services), or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110.

The Company is a “venture issuer” as defined in NI 52-110 and is relying on the exemptions in section 6.1 of NI 52-110 relating to Parts 3 (*Composition of the Audit Committee*) and 5 (*Reporting Obligations*).

A copy of the charter for the Audit Committee is posted on our website at [www.ianthus.com/team/board-committees](http://www.ianthus.com/team/board-committees) and appended hereto as Schedule A. The inclusion of our website address in this Proxy Statement does not include or incorporate by reference the information on our website into this Proxy Statement.

### *Compensation Committee*

Pursuant to the IRA, the Compensation Committee of the Board shall be comprised of one nominee designated by the Second Investor together with such other directors as the Board may determine. The current members of our Compensation Committee are Michelle Mathews-Spradlin as Chair and Kenneth Gilbert. Each member of our Compensation Committee is a non-employee director, as defined in Rule 16b-3 promulgated under the Exchange Act and an outside director, as defined pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended.

The Compensation Committee is responsible for assessing whether any of our compensation policies or programs has the potential to encourage excessive risk-taking. Furthermore, the Compensation Committee discharges the responsibilities of the Board in overseeing our compensation policies, plans and programs and to review and determine the compensation to be paid to our executive officers, directors and other senior management, as appropriate. The Compensation Committee met 3 times during 2022. The Compensation Committee is responsible for, among other things:

- reviewing and approving our compensation and benefit programs, policies and practices;
- setting the compensation of the Chief Executive Officer and approving the compensation of the members of the executive leadership team;
- establishing and reviewing annual and long-term performance goals and objectives of the Chief Executive Officer;
- reviewing the goals approved by the Chief Executive Officer for the members of the executive leadership team and the performance thereof;
- reviewing and making recommendations to the Board regarding director compensation; and
- overseeing the administration of the cash-based and equity-based compensation plans.

In 2022, the Compensation Committee retained Frederic W. Cook & Co., Inc. as a compensation consultant to the Company. This consultant assisted with recommending compensation for the directors.

A copy of the charter for the Compensation Committee is posted on our website at [www.ianthus.com/team/board-committees](http://www.ianthus.com/team/board-committees). The inclusion of our website address in this Proxy Statement does not include or incorporate by reference the information on our website into this Proxy Statement.

### **Board Diversity**

Our Nominating and Corporate Governance Committee is responsible for reviewing with the Board, on an annual basis, the appropriate characteristics, skills and experience required for the Board as a whole and its individual members. In evaluating the suitability of individual candidates (both new candidates and current members), the Nominating and Corporate Governance Committee, in recommending candidates for election, and the Board, in approving (and, in the case of vacancies, appointing) such candidates, will take into account many factors, including the following:

- personal and professional integrity, ethics and values;
- experience in corporate management, such as serving as an officer or former officer of a publicly-held company;
- development or commercialization experience in large consumer products companies;

- experience as a board member or executive officer of another publicly-held company;
- strong finance experience;
- diversity of expertise and experience in substantive matters pertaining to our business relative to other board members;
- diversity of background and perspective, including with respect to age, gender, race, place of residence and specialized experience;
- conflicts of interest; and
- practical and mature business judgment.

Currently, our Board evaluates each individual in the context of the Board as a whole, with the objective of assembling a group that can best maximize the success of the business and represent shareholder interests through the exercise of sound judgment using its diversity of experience in these various areas.

**Compliance with Section 16(a) of the Exchange Act**

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC initial reports of

ownership and reports of changes in ownership of our common stock and other equity securities. To our knowledge, based solely upon a review of Forms 3, 4, and 5 filed with the SEC during the fiscal year ended December 31, 2022, we believe that, except for Gotham Green Partners LLC, Kenneth Gilbert, Scott Cohen, Michelle Mathews-Spradlin and Robert Galvin, which did not timely file a Form 3, our directors, executive officers, and greater than 10% beneficial owners have complied with all applicable filing requirements during the fiscal year ended December 31, 2022.

### **Directorships**

The following current and proposed directors of the Company are also presently serving on boards of other reporting companies (or equivalent): Mr. Shoghi is also serving on the board of JAKKS Pacific Inc. ### **Board Assessments**

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and its board committees.

### **Ethical Business Conduct**

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

### **Shareholder Communications with our Board**

Shareholders and other interested persons seeking to communicate with our Board must submit their written communications to our Secretary at iAnthus Capital Holdings, Inc., 214 King Street, Suite 314, Toronto, ON, M5H 3S6 Such communications must include the number of Company securities owned, beneficially or otherwise, by the person issuing the communication. Depending on the subject matter of the communication, our Secretary will do one of the following:

- forward the communication to the Board or any individual member of our Board to whom any communication is specifically addressed;
- attempt to handle the inquiry directly, for example where it is a request for information about our Company or it is a stock related matter; or
- not forward the communication if it is primarily commercial in nature, if it relates to an improper or irrelevant topic, or if it is unduly hostile, threatening, illegal or otherwise inappropriate.

Our Board (and any individual director to whom the communication was specifically addressed) will determine what further steps are appropriate depending on the facts and circumstances outlined in the communication.

### **Code of Business Conduct and Ethics**

We have adopted a written code of business conduct and ethics that applies to our directors and officers. A copy of the code is filed as an exhibit to our Annual Report on Form 10-K for the year ended December 31, 2022. ### **Director Attendance at Annual Meetings**

We do not have a formal policy regarding director attendance at our annual meeting of shareholders. However, all directors are encouraged to attend. All of our then directors attended our last annual meeting of shareholders.

## **REPORT OF THE AUDIT COMMITTEE**

The Audit Committee oversees the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Reports with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee discussed with Marcum LLP, the previous auditor of the Company, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, the matters required to be discussed by Public Company Accounting Oversight Board ("PCAOB") and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, the Audit Committee received and reviewed the written disclosures and the letter from Marcum LLP required by applicable requirements of the PCAOB regarding Marcum LLP's communications with the Audit Committee concerning independence, and the Audit Committee discussed with Marcum LLP its independence.

The Audit Committee discussed with Marcum LLP the overall scope and plans for their audit. The Audit Committee met with Marcum LLP, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Audit Committee held 4 meetings during fiscal year 2022, and 3 meetings during fiscal year 2023 thus far.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board (and the Board has approved) that the audited financial statements be included in the Annual Reports on Form 10-K for the year ended December 31, 2022.

On March 30, 2023, the Company filed a change in registrant's certified accountant and a letter from Marcum LLP (the "**Auditor Reporting Package**") on SEDAR+ which confirmed that (i) the resignation of Marcum LLP and appointment of PFK LLP were considered and approved by the Board, (ii) there have been no modified opinions in Marcum LLP's reports for the Company's two most recently completed fiscal years or for any period subsequent to the most recently completed period for which an audit report was issued and preceding the date of Marcum LLP's termination, (iii)

there were no reportable events (as defined in NI 51-102) in connection with the audits for the period commencing at the beginning of the Company's two most recently completed financial years and ending on the date of Marcum LLP's termination. A copy of the Auditor Reporting Package is appended hereto as Appendix "B".

The Audit Committee and the Board have recommended that the shareholders re-appoint PFK LLP as the Company's auditor.

Respectfully submitted,

AUDIT COMMITTEE  
of the Board of Directors

Scott Cohen, Chair

The foregoing report of the Audit Committee does not constitute soliciting material and will not be deemed filed, incorporated by reference into or a part of any other filing by the Company (including any future filings) under the Exchange Act, except to the extent the Company specifically incorporates such report by reference therein.

## **Narrative to Summary Compensation Table**

### ***Compensation Review Process***

Compensation of the directors of the Company is determined by the Board, based on the recommendations made by the Compensation Committee. Compensation of the CEO of the Company is determined by the Compensation Committee (either alone or, if directed by the Board, in conjunction with a majority of the independent directors on the Board). Compensation for senior executives is determined and approved annually by the Compensation Committee, based on recommendations made by the CEO of the Company. In determining compensation, the Compensation Committee and the Board consider industry standards, annual and long-term performance goals and financial situation but do not currently have any formal objectives or criteria. The Compensation Committee and the Board informally monitor the performance of each executive officer keeping in mind the business strengths of the individual and the purpose of their appointment as an officer. The Compensation Committee currently comprises of the following directors: Michelle Mathews-Spradlin, Alexander Shoghi and Kenneth Gilbert. The Board has not adopted any specific policies or practices to determine the compensation for the Company's directors and executive officers other than as disclosed above.

The Compensation Committee is also responsible for, among other things, reviewing and approving the Company's compensation and benefit programs, policies and practices, and overseeing the administration of the Company's cash-based and equity-based compensation plans.

### ***Risk Management***

The Board has not considered the implications of the risks associated with the Company's compensation policies and practices.

The Company is not, however, aware of any of its directors or officers having entered into this type of transaction.

### ***Elements of Executive Compensation Program***

The Company's compensation program consists of the following elements:

- (a) base salary or consulting fees;
- (b) bonus payments; and
- (c) equity participation through the Omnibus Incentive Plan.

### ***Base Salary or Consulting Fees***

Base salary ranges for NEOs were initially determined upon review of salaries paid by other companies that are comparable in size to the Company.

In determining the base salary of a NEO, the Compensation Committee and the Board considers the following factors:

- (a) the particular responsibilities related to the position;
- (b) salaries paid by other companies in the same industry, which were similar in size and stage of development as the Company;
- (c) the experience level of the NEO;
- (d) the amount of time and commitment which the NEO devotes to the Company; and
- (e) the NEO's overall performance and performance in relation to the achievement of corporate milestones and objectives.

### ***Bonus Payments***

Each of the NEOs, as well as all employees, are eligible for an annual bonus, payable in cash or through option-based compensation. The amount paid is based on the Board's assessment of the Company's performance for the year. Factors considered in determining bonus amounts include individual performance, financial criteria (such as cash management and share price performance) and operational criteria (such as significant acquisitions of licensed cannabis operations and the attainment of corporate milestones).

The Company awarded bonuses to certain NEOs and employees during its financial year ended December 31, 2020, December 31, 2021 and December 31, 2022 as disclosed in the compensation table above.

### ***Equity Participation***

The Company currently offers equity participation in the Company through its Omnibus Incentive Plan. Please see "*Equity Compensation Plan Information*".

### ***Executive Compensation***

Except for the grant of Awards to NEOs, there are no arrangements under which NEOs were compensated by the Company during the three most recently completed financial years for their services in their capacity as NEOs, directors or consultants.

### ***Pension Disclosure***

The Company does not have in place any deferred compensation plan or pension plan that provides for payments or benefits at, following or in connection with retirement.

### ***Section 162(m) of the Code***

Section 162(m) generally disallows the corporate tax deduction for certain compensation paid in excess of \$1,000,000 annually to "covered employees," which include: (i) the Chief Executive Officer; (ii) the Chief Financial Officer; (iii) any employee whose total compensation is required to be reported to shareholders under the Exchange Act by reason of such employee being among the three highest compensated officers for the taxable year (excluding the CEO and CFO); and (iv) any executive who was a "covered employee" for any tax year beginning after December 31, 2016. A "covered employee" includes any individual who meets the definition of a "covered employee" at any time during the year, and also includes executives who are the top three highest paid officers (excluding the CEO or CFO) even if their compensation is not required to be disclosed under existing SEC rules. Section 162(m) of the *U.S. Internal Revenue Code of 1986* (the "**Code**") was amended by the Tax Cut and Jobs Act of 2018 so that the exceptions for payment of "performance-based compensation" or commissions have been eliminated.

Certain of our executives have received total compensation in excess of \$1,000,000, such that we may not be allowed the full federal tax deduction otherwise permitted for such compensation.

## **Employment Agreements; Potential Payments Upon Termination or Change-in-Control**

Other than as set out in this Proxy Statement, the Company has no agreements or arrangements under which compensation was provided during the 2022 financial year or is payable in respect of services provided to the Company or any of its subsidiaries that were performed by a director or NEO.

The Company entered into employment agreements with the following individuals: (1) Randy Maslow (the “**Maslow Employment Agreement**”) effective as of January 1, 2019, pursuant to which Mr. Maslow served as President and as Interim Chief Executive Officer; (2) Julius Kalcevich (the “**Kalcevich Employment Agreement**”) effective as of January 1, 2019, pursuant to which Mr. Kalcevich served as Chief Financial Officer; and (3) Robert Galvin (the “**Galvin Employment Agreement**”) effective as of January 1, 2019, pursuant to which Mr. Galvin was appointed as Chief Administrative Officer and served as Interim Chief Operations Officer. Each employment agreement was subsequently amended on April 4, 2020. The terms of the Maslow Employment Agreement and Galvin Employment Agreement continue for a period of three years and automatically renew for successive one-year periods at the end of each term until either party delivers written notice of their intent not to renew at least 60 days prior to the expiration of the then effective term. The Kalcevich Employment Agreement provides for an indefinite term and shall remain in effect until terminated by either party pursuant to the terms thereof.

Pursuant to the terms of the employment agreements, Mr. Maslow, Mr. Kalcevich and Mr. Galvin each receive a base salary of \$675,000. Each employment agreement also entitles the applicable employee to receive an annual incentive bonus at the sole discretion of our Board, based on criteria established annually by the Board in its sole discretion. Any such incentive bonus shall be paid no later than March 15 of the fiscal year following the fiscal year in which it was earned. Furthermore, pursuant to the terms of the applicable employment agreement, we promised to issue annual grants of ten-year stock options (the “**Time-Vested Options**”) to purchase such number of our Shares equal to the following: (i) \$1,066,667 minus the value of the base salary for that year (Maslow); or (ii) \$800,000 minus the value of the base salary for that year (Kalcevich and Galvin). Each option grant shall vest in 12 equal quarterly installments commencing on the last day of the calendar quarter next following the date of grant and otherwise pursuant to the terms and conditions of an award agreement. Such Time- Vested Options may be granted as either stock options or Restricted Stock Units. Each employment agreement also entitles the applicable employee to annual performance based options (the “**Performance Options**”) to purchase such number of our Shares as determined by our Compensation Committee; provided, however, that the value of each annual grant shall be equal to no less than the following amounts: (i) \$533,333 (Maslow) or (ii) \$400,000 (Kalcevich and Galvin). We retained the discretion to cancel all, some or none of the Performance Options based on the achievement of certain individual or Company performance objectives. The Performance Options expire ten years from the date of grant and vest in 12 equal quarterly installments commencing on the last day of the calendar quarter following the date of grant. The Performance Options may be granted as either as a grant of stock options or Restricted Stock Units. Each employment agreement also entitles the applicable employee to participate in the Company’s benefit plans, along with vacation, sick and holiday pay in accordance with the Company’s policies established and in effect from time to time.

In the event that we terminate Mr. Maslow’s or Mr. Galvin’s employment for Cause (as defined in the Maslow Employment Agreement and Galvin Employment Agreement, respectively), we shall pay Mr. Maslow or Mr. Galvin accrued but unpaid salary (the “**Maslow Accrued Salary**” or “**Galvin Accrued Salary**,” as applicable) until the date of termination. Similarly, if we terminate Mr. Kalcevich’s employment for Cause (as defined in the Kalcevich Employment Agreement), we shall pay Mr. Kalcevich (i) accrued but unpaid salary and vacation pay (the “**Kalcevich Accrued Salary**” and together with the Maslow Accrued Salary and Galvin Accrued Salary, “**Accrued Salary**”) until the date of termination. For each of Mr. Maslow, Mr. Galvin and Mr. Kalcevich, upon their termination for

Cause, any options that vested 12 months prior to the date of termination shall be exercisable for 90 days following the date of termination and all other options shall terminate.

In the event that either Mr. Maslow's, Mr. Galvin's or Mr. Kalcevich's employment is terminated by us for Disability (as defined in the applicable employment agreement) or death, we shall pay to him (i) the applicable Accrued Salary until the date of termination and (ii) all issued options shall be accelerated such that they shall become immediately exercisable (and shall not be subject to reduction for failure to meet performance objectives) and we shall extend the period during which such options may be exercisable. In the event that the employment of any of Mr. Maslow, Mr. Galvin or Mr. Kalcevich terminates by reason of his Disability or death at the beginning of any calendar year prior to the grant of any options, we shall issue to the applicable employee options based upon the value of the options granted to him in the calendar year prior to his termination. Such options shall be fully vested and immediately exercisable, with an exercise price equal to the fair market value at the time of issuance and shall remain exercisable for a period of ten years from the date of grant.

In the event that any of Mr. Maslow, Mr. Galvin or Mr. Kalcevich terminates his employment other than for Good Reason (as defined in the applicable employment agreement), we shall pay to him (i) the applicable Accrued Salary until the date of termination and (ii) all issued vested options shall continue to be exercisable but any unvested options shall terminate.

In the event that we terminate any of Mr. Maslow's, Mr. Galvin's or Mr. Kalcevich's employment without Cause or if Mr. Maslow, Mr. Galvin or Mr. Kalcevich terminates his employment for Good Reason, we shall pay to him (i) the applicable Accrued Salary until the date of termination and (ii) all issued options shall be accelerated such that they shall become immediately exercisable and we shall extend the period during which such options may be exercisable. Furthermore, if Mr. Maslow, Mr. Galvin or Mr. Kalcevich, as applicable, has been employed by us for at least three years, we shall also (i) issue him additional options to purchase such number of common shares equal to the total value of the options issued to him during the preceding 12 months (or if no options have been granted during the previous 12 months, then the most recent option grant, and which options shall be fully vested and immediately exercisable) and (ii) pay him the Severance Payment (as defined in the applicable employment agreement) in an amount equal to his current base salary, plus the amount of any incentive bonus paid to him during the previous 12 months, provided that he, among other things, signs a release agreement. In addition, we will pay the COBRA premiums for Mr. Maslow, Mr. Galvin or Mr. Kalcevich, as applicable, and his dependents for a period of 12 months following his termination.

In the event that we terminate any of Mr. Maslow's, Mr. Galvin's or Mr. Kalcevich's employment without Cause or if Mr. Maslow, Mr. Galvin or Mr. Kalcevich terminates his employment for Good Reason during the first 12 months after a Change in Control (as defined in the applicable employment agreement), we shall pay to him (i) the applicable Accrued Salary until the date of termination; (ii) an amount equal to his Adjusted Base Salary Compensation (as defined in the Maslow Employment Agreement and Galvin Employment Agreement) or Base Salary Compensation (as defined in the Kalcevich Employment Agreement), as applicable, for period of two years following the termination date; and (iii) all options shall be accelerated such that they shall become immediately exercisable (and shall not be subject to reduction for failure to meet performance objectives) and we shall extend the period during which such options may be exercisable. In addition, if Mr. Maslow, Mr. Galvin or Mr. Kalcevich, as applicable, has been employed by us for less than three years, we shall issue to him options to purchase such number of common shares equal to either the Adjusted Option Value (Maslow and Galvin) or Option Value (Kalcevich) (as applicable, and as such terms are defined in the applicable employment agreement) that were issued to him during the preceding 12 months. If the applicable employee has been employed by us for more than three years, we shall issue options to purchase such number of common shares equal to two times the Adjusted Option Value (Maslow and Galvin) or Option Value (Kalcevich) that were issued to him during the preceding 12 months (or if no options have been granted during the previous 12 months,

then the most recent option grant), provided that the applicable employee, among other things, signs a release agreement. In either case, such options shall be fully vested and immediately exercisable for a period of ten years from the date of grant.

Effective as of May 6, 2022 (the “**Resignation Date**”), Mr. Maslow resigned from his executive positions with the Company, including all positions with the Company’s subsidiaries and its affiliates, and from the Board and committees of the Board. In connection with the resignation, Mr. Maslow and the Company entered into the Separation Agreement, pursuant to which Mr. Maslow will receive certain compensation and benefits valued to substantially equal the value of entitlements he would have received under Section 4(g) of his employment agreement effective as of January 1, 2019 and amended on April 4, 2020 (together, the “**Employment Agreement**”). Specifically, Mr. Maslow will receive total cash compensation in the amount of approximately \$12.2 million (the “**Separation Payment**”), of which approximately \$5.1 million was paid out on May 6, 2022. The remainder of the Separation Payment will be paid out in equal installments of approximately \$0.9 million per month over the eight months following the Resignation Date, which shall be accelerated upon the closing of the Recapitalization Transaction or a Material Financing or in the event of a Board Change, as such terms are described in the Separation Agreement. In addition, the Company will pay the monthly premium for Mr. Maslow’s continued participation in the Company’s health and dental insurance benefits pursuant to COBRA for one year from May 6, 2022. Furthermore, Mr. Maslow’s compensation and benefits includes, among other items, an extension of the exercise period of options to acquire the Company’s common shares held by Mr. Maslow until the earlier of (i) five years from the Resignation Date; (ii) the original expiration dates of the applicable option; or (iii) the closing of the Recapitalization Transaction. Finally, under the Separation Agreement, Mr. Maslow agreed to relinquish all entitlements to his right to receive a grant of Restricted Stock Units under the long-term incentive plan that was announced on January 7, 2022, the issuance of which was contingent on the closing of the Recapitalization Transaction. Mr. Maslow will continue to serve the Company in a consulting role for a period of six months following the Resignation Date (provided that such period may be extended by an additional six months by the Company) at a base compensation of \$25,000 per month. Under the Separation Agreement, it was agreed that Mr. Maslow’s non-competition covenant will expire upon termination of the consulting term. In consideration for receipt of these compensation and benefits, Mr. Maslow provided a release to the Company (and the Company provided a release to Mr. Maslow), agreed to provide certain cooperation to the Company, agreed to certain confidentiality and return of property covenants, to mutual non-disparagement covenants and to negotiate in good faith a potential extension of Mr. Maslow’s non-competition covenants.

We entered into an employment agreement with Robert Galvin (the “**Galvin Employment Agreement**”) effective as of January 1, 2019, as amended April 4, 2020 pursuant to which Mr. Galvin currently serves as our Interim Chief Executive Officer and as our Interim Chief Operating Officer. The term of the Galvin Employment Agreement will continue for a period of three years and automatically renews for successive one-year periods at the end of each term until either party delivers written notice of their intent not to renew at least 60 days prior to the expiration of the then effective term.

Pursuant to the terms of the Galvin Employment Agreement, Mr. Galvin receives a base salary of \$675,000. Mr. Galvin is also entitled to receive an annual incentive bonus at the sole discretion of our Board, based on criteria established annually by the Board in its sole discretion. Any such incentive bonus shall be paid no later than March 15 of the fiscal year following the fiscal year in which it was earned. Furthermore, pursuant to the terms of the Galvin Employment Agreement, we promised to issue annual grants of ten-year stock options (the “**Time-Vested Options**”) to purchase such number of our common shares equal to \$800,000 minus the value of the base salary for that year. The option grant shall vest in 12 equal quarterly installments commencing on the last day of the calendar quarter next following the date of grant and otherwise pursuant to the terms and conditions of an award agreement. Such Time-Vested Options may be granted as either stock

options or restricted stock units. Mr. Galvin is also entitled to the annual performance based options (the "**Performance Options**") to purchase such number of our common shares as determined by our compensation committee; provided, however, that the value of each annual grant shall be equal to no less than \$400,000. We retained the discretion to cancel all, some or none of the Performance Options based on the achievement of certain individual or Company performance objectives. The Performance Options expire ten years from the date of grant and vest in 12 equal quarterly installments commencing on the last day of the calendar quarter following the date of grant. The Performance Options may be granted as either a grant of stock options or restricted stock units. Mr. Galvin is also eligible to participate in the Company's benefit plans, along with vacation, sick and holiday pay in accordance with the Company's policies established and in effect from time to time.

In the event that we terminate Mr. Galvin's employment for Cause (as defined in the Galvin Employment Agreement), we shall pay Mr. Galvin his accrued but unpaid salary (the "**Galvin Accrued Salary**") until the date of termination. If Mr. Galvin is terminated for Cause, then any options that vested 12 months prior to the date of termination shall be exercisable for 90 days following the date of termination and all other options shall terminate.

In the event that either Mr. Galvin's employment is terminated by us for Disability (as defined in the Galvin Employment Agreement) or death, we shall pay to him (i) the Galvin Accrued Salary until the date of termination and (ii) all issued options shall be accelerated such that they shall become immediately exercisable (and shall not be subject to reduction for failure to meet performance objectives) and we shall extend the period during which such options may be exercisable.

In the event that Mr. Galvin's employment terminates by reason of his Disability or death at the beginning of any calendar year prior to the grant of any options, we shall issue to Mr. Galvin options based upon the value of the options granted to him in the calendar year prior to his termination. Such options shall be fully vested and immediately exercisable, with an exercise price equal to the fair market value at the time of issuance and shall remain exercisable for a period of ten years from the date of grant.

In the event that Mr. Galvin terminates his employment other than for Good Reason (as defined in the Galvin Employment Agreement), we shall pay to him (i) the Galvin Accrued Salary until the date of termination and (ii) all issued vested options shall continue to be exercisable but any unvested options shall terminate.

In the event that we terminate Mr. Galvin's employment without Cause or if Mr. Galvin terminates his employment for Good Reason, we shall pay to him (i) the Galvin Accrued Salary until the date of termination and (ii) all issued options shall be accelerated such that they shall become immediately exercisable and we shall extend the period during which such options may be exercisable. Furthermore, if Mr. Galvin has been employed by us for at least three years, we shall also (i) issue him additional options to purchase such number of common shares equal to the total value of the options issued to him during the preceding 12 months (or if no options have been granted during the previous 12 months, then the most recent option grant, and which options shall be fully vested and immediately exercisable) and (ii) pay him the Severance Payment (as defined in the Galvin Employment Agreement) in an amount equal to his current base salary, plus the amount of any incentive bonus paid to him during the previous 12 months, provided that he, among other things, signs a release agreement. In addition, we will pay the COBRA premiums for Mr. Galvin and his dependents for a period of 12 months following his termination.

In the event that we terminate Mr. Galvin's employment without Cause or if Mr. Galvin terminates his employment for Good Reason during the first 12 months after a Change in Control (as defined in the Galvin Employment Agreement), we shall pay to him (i) the Galvin Accrued Salary until the date of termination; (ii) an amount equal to his Adjusted Base Salary Compensation (as defined in the Galvin Employment Agreement) for period of two years following the termination date; and (iii) all

options shall be accelerated such that they shall become immediately exercisable (and shall not be subject to reduction for failure to meet performance objectives) and we shall extend the period during which such options may be exercisable. In addition, if Mr. Galvin has been employed by us for less than three years, we shall issue to him options to purchase such number of common shares equal to either the Adjusted Option Value (as such term is defined in the Galvin Employment Agreement) that were issued to him during the preceding 12 months. If the applicable employee has been employed by us for more than three years, we shall issue options to purchase such number of common shares equal to two times the Adjusted Option Value that were issued to him during the preceding 12 months (or if no options have been granted during the previous 12 months, then the most recent option grant), provided that Mr. Galvin, among other things, signs a release agreement. In either case, such options shall be fully vested and immediately exercisable for a period of ten years from the date of grant.

On November 14, 2022 we entered into an employment agreement with Philippe Faraut (the “**Faraut Employment Agreement**”), pursuant to which Mr. Faraut serves as the Chief Financial Officer of the Company. Pursuant to the Faraut Employment Agreement, Mr. Faraut will receive an annual base salary of \$300,000 and beginning on January 1, 2023, Mr. Faraut will be eligible to receive an annual incentive cash bonus, in the sole discretion of our Board, based upon criteria established annually by the Board. In addition, for the period between November 14, 2022 and December 31, 2022, Mr. Faraut may be awarded a discretionary incentive cash bonus based on individual and/or corporate performance during such period. Except as provided below, Mr. Faraut must be employed on the bonus payment date to be eligible to receive the bonus for the applicable year.

On or prior to November 19, 2022 and on November 15 of each subsequent year, pursuant to the Faraut Employment Agreement, Mr. Faraut will be entitled to receive RSUs with respect to the common shares of the Company, having an aggregate fair market value, as of the date of grant, of \$300,000. The grant of the RSUs to Mr. Faraut will be subject to the terms and conditions of the Company’s Omnibus Incentive Plan and related equity award agreement. The RSUs will vest in three equal annual installments on the first three anniversaries of the date of grant of such RSUs, contingent on Mr. Faraut remaining employed through each vesting date. The RSUs will immediately fully vest upon the consummation of a Change of Control (as defined in the Faraut Employment Agreement). In addition, Mr. Faraut will be entitled to receive personal time off benefits under Company’s policies and any other employee benefits pursuant to any benefit plans maintained by the Company in a manner consistent with other similarly situated employees of the Company. He will also be entitled to reimbursement of reasonable and necessary business-related expenses.

In the event of a Change of Control of the Company, either while Mr. Faraut is employed or during the first 12 months after the Company terminates Mr. Faraut’s employment without Cause (as defined in the Faraut Employment Agreement), or Mr. Faraut resigns for Good Reason (as defined in the Faraut Employment Agreement), then he shall be entitled to receive the following upon the consummation of the Change of Control: (i) a lump-sum cash payment equal to the sum of (A) Mr. Faraut’s then current base-salary for 18 months and (B) the amount of any annual incentive bonus paid to Mr. Faraut in the 12 months preceding the consummation of a Change of Control of the Company and (ii) a fully vested grant of RSUs with an aggregate fair market value equal to \$450,000, based on the closing public market price per share on the 30th day after the date of the Change of Control of the Company. In the event that the Company terminates Mr. Faraut’s employment due to his death or disability, all unvested and outstanding RSUs held by Mr. Faraut shall be accelerated and become fully vested on the date of such termination. In the event that the Company terminates Mr. Faraut’s employment for any reason other than Cause, death or disability, or if Mr. Faraut resigns for Good Reason, then he shall be entitled to receive the following: (i) to the extent unvested, all RSUs held by Mr. Faraut shall be accelerated and become fully vested on the date of termination (provided that if such termination of employment is less than 180 days after a Change of Control of the Company, then only 66.67% of any unvested RSUs shall be accelerated and become fully vested); (ii) if Mr. Faraut is employed for at least one year, on the 60th date

following the date of his termination of employment, Mr. Faraut will receive fully vested RSUs with an aggregate fair market value equal to \$300,000 (provided that if such termination of employment is less than 180 days after a Change of Control of the Company, then Mr. Faraut shall not be entitled to any such payment); (iii) payment, over a 12 month period, of continuing compensation equal to the sum of (A) 12 months of his then base salary and (B) the amount of any annual incentive bonus paid to Mr. Faraut in the 12 months preceding the date of termination (provided that if such termination of employment is less than 180 days after a Change of Control of the Company, then Mr. Faraut shall not be entitled to any such payment); and (iv) if Mr. Faraut elects continuation coverage pursuant to COBRA under the Company's group health plan, the Company shall pay Mr. Faraut's COBRA premiums for such coverage until the earlier of (A) 12 months following the date of Mr. Faraut's termination of employment, or (B) the date upon which Mr. Faraut accepts new employment that offers him medical benefits. The foregoing severance benefits are subject to, among other things, Mr. Faraut's execution and delivery of a general release of all claims in favor of the Companies and their affiliates and subsidiaries.

Effective as of the May Resignation Date, Randy Maslow, the Company's Interim Chief Executive Officer and President and a member of the Board of Directors, resigned from his executive positions, including all positions with the Company's subsidiaries and its affiliates, and from the Company's Board of Directors and its committees. In connection with the resignation, Mr. Maslow and the Company executed the May Separation Agreement, pursuant to which, Mr. Maslow will receive certain compensation and benefits valued to substantially equal the value of entitlements he would have received under Section 4(g) of his employment agreement. Specifically, Mr. Maslow will receive total cash compensation in the amount of the May Separation Payment, of which \$5.1 million was paid out on May 6, 2022 (made up, in part, of a portion of severance payment of approximately \$4.8 million, and unpaid 2021 bonus of \$0.3 million). The remainder of the May Separation Payment was to be paid out in equal installments of approximately \$0.9 million per month over the next eight months following the May Resignation Date, which was accelerated upon the closing of the Recapitalization Transaction. The total outstanding balance of the May Separation Payment owed to Mr. Maslow was paid in full as of July 15, 2022. Under the terms of the May Separation Agreement, the Company will continue to pay the monthly premium for Mr. Maslow's continued participation in the Company's health and dental insurance benefits pursuant to COBRA for one year from the May Resignation Date. Mr. Maslow's compensation and benefits under the May Separation Agreement included the extension of exercise period of options to acquire the Company's common shares, until the earlier of (i) five years from the May Resignation Date; (ii) the original expiration dates of the applicable option; or (iii) the closing of the Recapitalization Transaction. In accordance with the terms of the May Separation Agreement, Mr. Maslow's options to acquire the Company's common shares expired as of the Closing Date of the Recapitalization Transaction. Mr. Maslow served in a consulting role for six months following the May Resignation Date at a base compensation of \$25 per month. As of November 6, 2022, the term of Mr. Maslow's consultancy terminated and the Company did not elect to extend the term. During the year ended December 31, 2022, the Company paid \$0.2 million to Mr. Maslow in relation to consulting services provided (December 31, 2021—Nil).

Effective as of November 14, 2022, Julius Kalcevich, the Company's Chief Financial Officer, resigned from his executive positions, including all positions with the Company's subsidiaries and its affiliates. In connection with the resignation, on the Execution Date, Mr. Kalcevich and the Company executed the December Separation Agreement, pursuant to which, Mr. Kalcevich will receive certain compensation and benefits valued to substantially equal the value of entitlements he would have received under Section 4(g) of his employment agreement. Specifically, Mr. Kalcevich will receive total cash compensation in the amount of approximately \$1.1 million, which is payable in equal installments of approximately \$0.1 million per month over a period of 10 months following the Execution Date. As of December 31, 2022, the total payments made in relation to the December Separation Agreement were \$0.2 million. Per the December Separation Agreement, Mr. Kalcevich was also issued a total of 27,930 RSUs with a fair value of \$1.0 million, which became fully vested

upon issuance. As of the Execution Date, all unvested outstanding stock options and RSUs previously issued to Mr. Kalcevich were accelerated.

(8) Zachary Arrick resigned as a member of our Board on February 21, 2023.

## PROPOSAL TWO APPOINTMENT OF AUDITOR

The Board recommends, on the advice of the Audit Committee, that the shareholders of the Company re-appoint PFK LLP as the Company's auditor to audit the Company's consolidated financial statements for fiscal year 2023. To the knowledge of management of the Company, neither such firm nor any of its members has any direct or material indirect financial interest in the Company, nor any connection with the Company in any capacity other than as our auditor. It is not anticipated Marcum will attend the Meeting.

## Principal Independent Registered Public Accounting Firm Fees and Services

On March 30, 2023, the Company filed the Auditor Reporting Package on SEDAR+ which confirmed that (i) the resignation of Marcum LLP and appointment of PFK LLP were considered and approved by the Board, (ii) there have been no modified opinions in Marcum LLP's reports for the Company's two most recently completed fiscal years or for any period subsequent to the most recently completed period for which an audit report was issued and preceding the date of Marcum LLP's

termination, (iii) there were no reportable events (as defined in NI 51-102) in connection with the audits for the period commencing at the beginning of the Company's two most recently completed financial years and ending on the date of Marcum LLP's termination. A copy of the Auditor Reporting Package is appended hereto as Appendix "B".

PFK LLP has served as our auditor as of March 30, 2023. Prior to the engagement of PFK LLP, Marcum LLP served as auditor since August 10, 2018 and completed the audits of the Company for the years ended December 31, 2020, 2021 and 2022.

During the years ended December 31, 2020, 2021 and 2022, there were no "reportable events" as such term is defined in NI 51-102.

### Pre-approval Policies and Procedures

In accordance with the Sarbanes-Oxley Act, our Audit Committee Charter requires the Audit Committee to pre-approve all audit and permitted non-audit services provided by our independent registered public accounting firm, including the review and approval in advance of our independent registered public accounting firm's annual engagement letter and the proposed fees contained therein. The Audit Committee has the ability to delegate the authority to pre-approve non-audit services to one or more designated members of the Audit Committee. If such authority is delegated, such delegated members of the Audit Committee must report to the full Audit Committee at the next Audit Committee meeting all items pre-approved by such delegated members. In the fiscal years

## Equity Compensation Plan Information

The Company has an Amended and Restated Omnibus Incentive Plan (the "**Omnibus Incentive Plan**") dated October 15, 2018, which was approved by shareholders at the Company's annual general and special meeting held on November 26, 2018.

On January 6, 2022, the Board approved the terms of a long-term incentive program recommended by the then current Compensation Committee, pursuant to which the Company will allocate to certain employees (including executive officers) Restricted Stock Units and option awards up to, in the aggregate, 5.75% of our fully diluted equity under the Omnibus Incentive Plan ("**LTIP Awards**") in order to attract and retain such employees. The allocations of the LTIP Awards were awarded after the closing of the Recapitalization Transaction contemplated by the Restructuring Support Agreement. All of the warrants and options that existed prior to the closing of the Recapitalization Transaction were cancelled. The shares may be consolidated pursuant to a consolidation ratio which has yet to be determined.

### **Summary of Terms and Conditions of the Omnibus Incentive Option Plan**

The following is a summary of the material provisions of the Omnibus Incentive Plan. This summary does not purport to be complete and is subject to, and qualified in its entirety by reference to, the provisions of the Omnibus Incentive Plan, a copy of which may also be obtained upon request from the CFO and Corporate Secretary of the Company by email at: [info@ianthuscapital.com](mailto:info@ianthuscapital.com). A copy of the Omnibus Incentive Plan is also available on the Company's website at <https://www.ianthus.com>, under the Company's SEDAR+ profile at [www.sedarplus.ca](http://www.sedarplus.ca) and on the SEC's website at [www.sec.gov](http://www.sec.gov). Unless otherwise defined herein, all capitalized terms used herein will have the meanings ascribed to them in the Omnibus Incentive Plan.

### ***The Omnibus Incentive Plan***

The purpose of the Omnibus Incentive Plan is to attract, retain and reward those employees, directors and other individuals who are expected to contribute significantly to the success of the Company and its Affiliates, to incentivize such individuals to perform at the highest level, to strengthen the mutuality of interests between such individuals and shareholders and, in general, to further the best interests of the Company and its shareholders. The Omnibus Incentive Plan is intended to comply with Section 422 of the U.S. Internal Revenue Code of 1986, as amended (the "**Code**"), with respect to the U.S. Participants participating in the Omnibus Incentive Plan, if and when applicable, and is intended to provide for Awards which are excluded from the "salary deferral arrangement" rules in the ITA with respect to Canadian Employee Participants participating in the Omnibus Incentive Plan.

### ***Eligibility***

Any employee, officer, director, Consultant or, subject to applicable law, other advisor of, or any other individual who provides Services to the Company or any Affiliate will be eligible to receive an Award under the Plan. Only eligible employees of the Company and its Affiliates (as determined in accordance with Section 422(b) of the Code (and Sections 424(e) and 424(f) of the Code with

respect to options representing the right to purchase Shares from the Company (“**Incentive Stock Options**” or “**Options**”) in the case of employees who are U.S. Participants) are eligible to be granted Incentive Stock Options under the Plan and no Canadian Participant, other than a Canadian Employee Participant, will be eligible to be granted Deferred Stock Units under the Plan. Eligibility for the grant of Awards and actual participation in the Plan will be determined by a committee of the Board established or designated by the Board as responsible for the administration of the Omnibus Incentive Plan (the “**Committee**”).

### ***Administration***

The Omnibus Incentive Plan will be administered by the Committee, in its discretion and subject to the terms of the Omnibus Incentive Plan and applicable law, the Committee will have full power and discretion to: (i) designate Participants; (ii) determine the type or types of Awards to be granted to each Participant under the Omnibus Incentive Plan; (iii) determine the number of Shares to be covered by (or with respect to which payments, rights, or other matters are to be calculated in connection with) any one or more of the Awards, including whether an Award will be a Canadian Award or a U.S. Award; (iv) authorize and approve the applicable form and determine the terms and conditions, not inconsistent with the terms of the Omnibus Incentive Plan, of any Award Agreement and Award granted hereunder (including the exercise price (if any), the exercise period, any termination provisions, any restriction or limitation, any vesting schedule or acceleration thereof, or any forfeiture restrictions or waiver thereof, regarding any Award and the Shares relating thereto, based on such factors, if any, as the Committee will determine); (v) determine whether, to what extent, and under what circumstances Awards may be settled or exercised in cash, Shares, other securities, or other Awards, or canceled, forfeited or suspended, and the method or methods by which Awards may be settled, exercised, canceled, forfeited or suspended; (vi) determine whether, to what extent, and under what circumstances cash, Shares, other securities, other Awards, and other amounts payable with respect to an Award under the Omnibus Incentive Plan will be deferred either automatically or at the election of the holder thereof or of the Committee, taking into consideration the requirements of Section 409A of the Code; (vii) determine whether to require a Participant, as a condition of the granting of any Award, to not sell or otherwise dispose of securities acquired pursuant to the exercise of an Award for a period of time as determined by the Committee following the date of the grant of such Award; (viii) determine whether an Option is an Incentive Stock Option or Non-Qualified Stock Option; (ix) interpret and administer the Omnibus Incentive Plan and any instrument or agreement relating to, or Award made under, the Omnibus Incentive Plan; (x) establish, amend, suspend or waive such rules and regulations and appoint such agents as it will deem appropriate for the proper administration of the Omnibus Incentive Plan; (xi) permit accelerated vesting or lapse of restrictions of any Award at any time; and (xii) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Omnibus Incentive Plan.

The grant of each Award pursuant to the Omnibus Incentive Plan will be evidenced by an Award Agreement in substantially the form as may be approved by the Committee. Each such Award Agreement will include both terms and conditions as specifically provided for in the Omnibus Incentive Plan as well as such additional terms and conditions, in either case not inconsistent with the provisions of the Omnibus Incentive Plan, as the Committee will determine.

### ***Options***

An Option is any right granted to a Participant under the Omnibus Incentive Plan allowing such Participant to purchase Shares at such price or prices and during such period or periods as the Committee shall determine, as set out in the applicable Award Agreement.

The Committee will be authorized to grant Options to Participants under the Omnibus Incentive Plan. Incentive Stock Options must be granted within ten years from the earlier of: (i) the date the

Omnibus Incentive Plan was adopted by the Board (i.e., the Effective Date); or (ii) the date the Omnibus Incentive Plan is approved by the Company's shareholders. Each Award Agreement will separately designate whether the Option is an Incentive Stock Option or a Non-Qualified Stock Option, and will include the following terms and conditions and such additional terms and conditions, in either case not inconsistent with the provisions of the Omnibus Incentive Plan, as the Committee will determine, in its discretion.

The number and kind of Shares for which any Option may be granted will be determined by the Committee. Each Award Agreement will specify the exercise price per Share as determined by the Committee at the time the Option is granted; provided, however, that, except in the case of Substitute Awards, such exercise price will not be less than 100% (or not less than 110% in the case of an Incentive Stock Option granted to a 10% Shareholder) of the greater of: (i) the Fair Market Value of a Share on the date of grant of such Option; and (ii) the Fair Market Value of a Share on the trading day prior to the date of grant of such Option, which grant will occur after the close of the Exchange on the grant date.

Each Award Agreement will specify the term for which the Option thereunder is granted and will provide that such Option will expire at the end of such term; provided, however, that the term (measured from the grant date) of an Incentive Stock Option will not exceed ten years or five years for an Incentive Stock Option to a 10% Shareholder. If the term of an Option (other than an Incentive Stock Option) held by any Participant not subject to Section 409A of the Code would otherwise expire during, or within two business days of the expiration of a Blackout Period applicable to such Participant, then the term of such Option will be extended to the earlier of the end of such Blackout Period or, provided the Blackout Period has ended, the expiry date.

With the approval of the Committee, a Participant may elect to exercise an Option, in whole or in part, without payment of the aggregate price due on such exercise by electing to receive Shares equal in value to the difference between the price and the Fair Market Value on the date of exercise, computed in accordance with the Omnibus Incentive Plan.

### ***Stock Appreciation Rights***

The Committee will be authorized to grant SARs to Participants under the Omnibus Incentive Plan. Each SAR will represent a right to receive, on exercise by the Participant, the excess of the Fair Market Value of one Share on the date of exercise over the base price of the SAR on the date of grant, or if granted in connection with an outstanding Option on the date of grant of the related Option, as specified by the Committee, which, except in the case of Substitute Awards, will not be less than the greater of: (i) the Fair Market Value of a Share on such date of grant of the SAR or the related Option, as the case may be; and (ii) the Fair Market Value of a Share on the trading day prior to such date of grant of the SAR or the related Option, as the case may be.

Each Award Agreement will specify whether a SAR is granted to a Participant as either a freestanding SAR or a tandem SAR.

Any tandem SAR related to an Option will be granted at the same time such Option is granted to the Participant. In the case of any tandem SAR related to any Option, the SAR or applicable portion thereof will not be exercisable until the related Option or applicable portion thereof is exercisable and will terminate and no longer be exercisable on the termination or exercise of the related Option, except that a SAR granted with respect to less than the full number of Shares covered by a related Option will not be reduced until the exercise or termination of the related Option exceeds the number of Shares not covered by the SAR. Any Option related to any tandem SAR will no longer be exercisable to the extent the related SAR has been exercised.

A freestanding SAR will not have a term greater than ten years or, unless it is a Substitute Award, a base price less than 100% of the greater of: (i) the Fair Market Value of the Share on the date of grant; and (ii) the Fair Market Value of the Share on the trading day prior to the date of grant, which grant will occur after the close of the Exchange on the grant date. Notwithstanding the foregoing, if the term of a SAR held by any Participant not subject to Section 409A of the Code would otherwise expire during, or within two business days of the expiration of a Blackout Period applicable to such Participant, then the term of such SAR will be extended to the earlier of the end of such Blackout Period or, provided the Blackout Period has ended, the expiry date.

### ***Restricted Stock and Restricted Stock Units***

The Committee will be authorized to grant Awards of Restricted Stock and Restricted Stock Units to Participants under the Omnibus Incentive Plan.

Each Restricted Stock Unit will represent a right to receive a cash payment equal to the Fair Market Value of one Share or, as the Committee's discretion, one Share. Shares of Restricted Stock and Restricted Stock Units will be subject to such restrictions as the Committee may impose (including, without limitation, any limitation on the right to receive any dividend or Dividend Equivalent or other right), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise, as the Committee may deem appropriate.

### ***Deferred Stock Units***

The Committee will be authorized to grant Awards of Deferred Stock Units to Participants under the Omnibus Incentive Plan. Deferred Stock Units provide Participants with compensation opportunities which are compatible with the interests of the Company's shareholders, encourage a sense of ownership and reward significant achievements.

Deferred Stock Units will be settled on expiration of the deferral period specified for an Award of Deferred Stock Unit by the Committee (or, if permitted by the Committee, as elected by the Participant). In addition, Deferred Stock Units will be subject to such restrictions on transferability, risk of forfeiture and other restrictions, if any, as the Committee may impose, which restrictions may lapse at the expiration of the deferral period or at earlier specified times (including based on achievement of performance goals and/or future service requirements), separately or in combination, in installments or otherwise, and under such other circumstances as the Committee may determine at the date of grant or thereafter. Deferred Stock Units may be satisfied by delivery of a cash payment, Shares, other Awards, or a combination thereof, as determined by the Committee at the date of grant or thereafter.

The Committee may award Dividend Equivalents with respect to Awards of Deferred Stock Units. The entitlements on such Dividend Equivalents will not be available until the expiration of the deferral period for the Award of Deferred Stock Units.

### ***Performance Awards***

The Committee will be authorized to grant Performance Awards to Participants under the Omnibus Incentive Plan payable on the attainment of specific Performance Goals.

If the Performance Award is payable in shares of Restricted Stock, such shares will be transferable to the Participant only on attainment of the relevant Performance Goal. If the Performance Award is payable in cash, it may be paid upon the attainment of the relevant Performance Goals either in cash or in shares of Restricted Stock (based on the then current Fair Market Value of such Shares), as determined by the Committee.

Subject to the applicable provisions of the Award Agreement and the Omnibus Incentive Plan, on a Participant's termination of Service for any reason during the Performance Period for a given Performance Award, the Performance Award in question will vest or be forfeited in accordance with the terms and conditions established by the Committee on the date of the grant of the Performance Award. Based on Service, performance and/or such other factors or criteria, if any, as the Committee may determine, the Committee may, at or after grant, due to such Service, performance and/or such other factors or criteria relating to the Participant's performance to date accelerate on a pro rata basis the vesting of all or any part of any Performance Award.

When and if Performance Awards become payable, a Participant having received the grant of such units will be entitled to receive payment from the Company in settlement of such units in cash, Shares of equivalent value (based on the Fair Market Value, subject to applicable law), in some combination thereof, or in any other form determined by the Committee.

### ***Other Stock Based Awards***

The Committee will be authorized, subject to limitations under applicable law, to grant to Participants such other Awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, Shares or factors that may influence the value of Shares, including, without limitation, convertible or exchangeable debt securities, other rights convertible or exchangeable into Shares, purchase rights for Shares, Awards with value and payment contingent on performance of the Company or business units thereof, Shares awarded purely as a bonus and not subject to restrictions or conditions, or any other factors designated by the Committee.

### ***Insider Limitations***

Subject to the terms of the Omnibus Incentive Plan and unless permitted by applicable law, the Company will not grant Awards under the Omnibus Incentive Plan to an employee or Consultant of the Company who is an investor relations person of the Company, an Associated Consultant of the Company, an Executive Officer of the Company, a director of the Company, or a Permitted Assign of those persons if, after the distribution, (a) the number of securities, calculated on a fully diluted basis, reserved for issuance under any Security Based Compensation Arrangement granted to (i) Related Persons, exceeds 10% of the outstanding securities of the Company, or (ii) a Related Person, exceeds 5% of the outstanding securities of the Company, or (b) the number of securities, calculated on a fully diluted basis, issued within 12 months to (i) Related Persons, exceeds 10% of the outstanding securities of the Company, or (ii) a Related Person and the Associates of the Related Person, exceeds 5% of the outstanding securities of the Company.

### ***Effect of Termination of Service on Awards***

The Committee may specify the circumstances in which Awards will be exercised, vested, paid or forfeited in the event a participant ceases to provide service to the Company or any Affiliate prior to the end of a performance period or exercise or settlement of such Award. If no such circumstances are specified in the terms of an Award Agreement for a participant, the following terms will apply:

- (a) if a participant resigns their office or employment, or the employment of a participant is terminated, or a participant's contract as a consultant terminates, only the portion of the Awards (except for Deferred Stock Units granted to Canadian Employee Participants) that has vested and is exercisable at the date of any such resignation or termination may be exercised by the participant during the period ending 30 days after the date of resignation or termination, as applicable, after which period all Awards expire;
- (b) if a participant resigns their office or employment, or the employment of a participant is terminated, or a participant's contract as a consultant terminates, the portion of the

- Awards (except for Deferred Stock Units granted to Canadian Employee Participants) that has not vested and is not exercisable at the date of any such resignation will expire on the date of any such resignation or termination;

The audit committee of the Board of Directors (the “Committee”) of iAnthus Capital Holdings, Inc. (the “Company”) conducted a competitive selection process to determine the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2023. As a result of this process, the Committee approved the appointment of PKF O’Connor Davies, LLP (“PKFOD”) as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2023. Marcum LLP (“Marcum”) was terminated effective as of March 30, 2023.

Marcum reported on the Company’s consolidated financial statements for the fiscal years ended December 31, 2022 and 2021.

During the Company’s two most recent fiscal years before the termination of Marcum as independent registered accountants, the reports on the Company’s consolidated financial statements by Marcum for both years did not contain any adverse opinion or disclaimer of opinion, nor was either report qualified or modified as to uncertainty, audit scope, or accounting principles, except for an explanatory paragraph as to the Company’s ability to continue as a going concern.

During the two most recent fiscal years ended December 31, 2022 and the subsequent interim periods through March 30, 2023, pursuant to Item 304(a)(1)(iv) of Regulation S-K, there was no disagreement between the Company and Marcum on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement, if not resolved to the satisfaction of Marcum, would have caused Marcum to make reference to the subject matter of the disagreement in connection with its report issued in connection with its audit of the Company’s financial statement for those years. Furthermore, except for the identification of the material weaknesses described in the Company’s Annual Form 10-K for the years ended December 31, 2022 and 2021 as filed with the U.S. Securities and Exchange Commission on March 30, 2023 and March 18, 2022, respectively, there were no reportable events (as described under Item 304(a)(1)(v)(A)-(D) of Regulation S-K) for the Company within the last two fiscal years nor subsequently up to the date of the termination of Marcum.

The Company has provided a copy of the foregoing disclosures to Marcum and requested Marcum to provide it with a letter indicating whether or not it agrees with such disclosures. A copy of the letter, dated April 3, 2023 is attached hereto as Exhibit 16.1.

During the two most recent fiscal years and the subsequent period through the appointment of PKFOD, the Company did not consult with PKFOD regarding any of the matters set forth in Item 304(a)(2)(i) or (ii) of Regulation S-K.

**Item 8.01 Other Events.**
