(1) Per \$1,000 principal amount.

- (2) The Total Consideration for Securities validly tendered prior to or at the Early Tender Date and accepted for purchase is calculated using the applicable Fixed Spread and is inclusive of the Early Tender Payment.

The tender offers are being made pursuant to the terms and conditions set forth in the offer to purchase, dated August 5, 2021, as amended by the Company's press release dated August 10, 2021 (as so amended, the "Offer to Purchase") upsizing the Aggregate Maximum Tender Cap and the Maximum Tender SubCap. The Company refers investors to the Offer to Purchase for the complete terms and conditions of the tender offers.

The "Total Consideration" listed in the tables above for each \$1,000 principal amount of a series of Securities was determined at 10:00 a.m., New York City time, on August 19, 2021. Only holders of Securities who validly tendered and did not validly withdraw their Securities at or prior to 5:00 p.m., New York City time, on August 18, 2021 (the "Early Tender Date") are eligible to receive the Total Consideration for Securities accepted for purchase. Holders of Securities who validly tender their Securities after the Early Tender Date but prior to or at the Expiration Date (as defined below) will be eligible to receive the "Late Tender Offer Consideration," which is equal to the Total Consideration minus the Early Tender Payment specified in the tables above, if their validly tendered Securities are accepted for purchase. Holders will also receive accrued and unpaid interest on Securities validly tendered and accepted for purchase from the last interest payment date up to, but not including, the date the Company makes payment for such Securities. Since the tender offers for the Maximum Tender Offer Notes are fully subscribed as of the Early Tender Date, the Company does not expect it will accept any Maximum Tender Offer Notes tendered after the Early Tender Date. Any and All Notes tendered after the Early Tender Date and prior to or at the expiration date of the tender offers for the Any and All Notes will be accepted for purchase in the manner described in the Offer to Purchase.
