PARTS iD Announces Delisting from NYSE American

CRANBURY, N.J.--(BUSINESS WIRE)-- PARTS iD, Inc. (NYSE American: ID) ("PARTS iD" or "the Company") today announced that it received notification from the New York Stock Exchange ("NYSE") that the NYSE has initiated proceedings to delist the Class A common stock of PARTS iD, Inc. from NYSE American. The NYSE also indefinitely suspended trading of the Company's Class A common stock effective December 26, 2023. PARTS iD does not intend to appeal the NYSE's determination.

The NYSE determined that the Company is no longer suitable for listing and will commence delisting proceedings pursuant to Section 1003(c)(iii) of the NYSE American Company Guide in light of the disclosure on December 26, 2023 that the Company filed a voluntary petition for relief under Chapter 11 of title 11 of the United States Code in the United States Bankruptcy Court for the District of Delaware.

About PARTS iD, Inc.

PARTS iD is a technology-driven, digital commerce company focused on creating custom infrastructure and unique user experiences within niche markets. Founded in 2008 with a vision of creating a one-stop eCommerce destination for the automotive parts and accessories market, we believe that PARTS iD has since become a market leader and proven brand-builder, fueled by its commitment to delivering a revolutionary shopping experience; comprehensive, accurate and varied product offerings; and continued digital commerce innovation.

Cautionary Note Regarding Forward-Looking Statements

All statements made in this press release relating to future financial or business performance, conditions, plans, prospects, trends, or strategies and other such matters, including without limitation, expected future performance, consumer adoption, anticipated success of our business model or the potential for long term profitable growth, are forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. In addition, when or if used in this press release, the words "may," "could," "should," "anticipate," "believe," "estimate," "expect," "intend," "plan," "predict," "potential," "confident," "look forward," "optimistic" and similar expressions and their variants, as they relate to us

may identify forward-looking statements. We operate in a changing environment where new risks emerge from time to time and it is not possible for us to predict all risks that may affect us, particularly those associated with the COVID-19 pandemic and the conflict in Ukraine, which have had wide-ranging and continually evolving effects. We caution that these forward-looking statements are subject to numerous assumptions, risks, and uncertainties, which change over time, often quickly and in unanticipated ways.

Important factors that may cause actual results to differ materially from the results discussed in the forward-looking statements include risks and uncertainties, including without limitation: the ongoing conflict between Ukraine and Russia has affected and may continue to affect our business; competition and our ability to counter competition, including changes to the algorithms of Google and other search engines and related impacts on our revenue and advertisement expenses; the impact of health epidemics, including the COVID-19 pandemic, on our business and the actions we may take in response thereto; disruptions in the supply chain and associated impacts on demand, product availability, order cancellations and cost of goods sold including inflation; difficulties in managing our international business operations, particularly in the Ukraine, including with respect to enforcing the terms of our agreements with our contractors and managing increasing costs of operations; changes in our strategy, future operations, financial position, estimated revenues and losses, product pricing, projected costs, prospects and plans; the outcome of actual or potential litigation, complaints, product liability claims, or regulatory proceedings, and the potential adverse publicity related thereto; the implementation, market acceptance and success of our business model, expansion plans, opportunities and initiatives, including the market acceptance of our planned products and services; developments and projections relating to our competitors and industry; our expectations regarding our ability to obtain and maintain intellectual property protection and not infringe on the rights of others; our ability to maintain and enforce intellectual property rights and ability to maintain technology leadership; our future capital requirements; our ability to raise capital and utilize sources of cash; our ability to obtain funding for our operations; changes in applicable laws or regulations; the effects of current and future U.S. and foreign trade policy and tariff actions; disruptions in the marketplace for online purchases of aftermarket auto parts; costs related to operating as a public company; the Company's intention to continue operations during the Chapter 11 Cases; the Company's ability to conduct its business in an uninterrupted manner during the Chapter 11 Cases; the potential outcome and timing of the delisting of the Company's Class A common stock; the Company's ability to obtain timely approval of the Bankruptcy Court with respect to motions filed in the Chapter 11 Cases; and the possibility that we may be adversely affected by other economic, business, and/or competitive factors.

Further information on the factors and risks that could cause actual results to differ from any forward-looking statements are contained in our filings with the SEC, which are available at <https://www.sec.gov> (or at <https://www.partsidinc.com>). The forward-looking statements represent our estimates as of the date hereof only, and we specifically disclaim any duty or obligation to update forward-looking statements.
