

Similarweb Launches Tailored Solutions to Enable Marketing, Research, Sales and Investors to Make Smarter Decisions

Similarweb's four new solutions empower teams to make more informed decisions using the measure of the digital world

NEW YORK, April 16, 2019 /PRNewswire/ -- [Similarweb](#), the world's leading market intelligence company, is announcing a new evolution of its offering. Business professionals and companies around the world call for actionable insights on the digital intent and behavior of their customers, partners, competitors and industries. Similarweb's dedicated solutions proactively deliver 360° visibility, integrated into its customers' workflows.

These four solutions maintain Similarweb's focus on revealing and analyzing any digital property strategy to optimize growth and maximize return:

- **Marketing:** Delivering competitive intelligence to build and optimize customer acquisition strategies for companies like **Walmart**, **adidas** and **Airbnb**.
- **Research:** Monitoring digital market share and trends, benchmarking against competitors' performance and providing holistic view of the customer journey for companies like **Expedia**, **H&M** and **Johnson & Johnson**.
- **Sales:** Equipping organizations with market insights through tailored consultative selling, finding and qualifying the leads that help sales teams close more business for companies like **Google**, **Pinterest**, and **Paypal**.
- **Investors:** Identifying market signals and performing due diligence to determine investability and digital-health of companies for leading investors like **Naspers** and **Accel Partners**.

Similarweb's solutions continue to leverage the most comprehensive and diverse data set, comprising anonymous consumer behavior across all industries, throughout the world. Each solution will now provide the tools and features to surface actionable insights that empower teams dedicated to **Marketing**, **Research**, **Sales** and **Investors** to make insight-driven decisions.

"This is the natural next step for Similarweb. We have been serving each of these groups long enough to learn from them exactly what they need from our platform. Each of our solutions directly addresses the demands of the people it serves, delivering more of the Similarweb insights our users value in the most accessible formats that they can use and reuse daily, weekly and monthly," said Or Offer, CEO and Founder of Similarweb. "We will continue to listen and to innovate across each of these four solutions for all our customers."
