CEO Lev Peker Discusses Q2 Earnings, Auto Industry on Bloomberg Radio

New York, NY (September 1, 2020) – Lev Peker, CarParts.com’s CEO, appeared today on Bloomberg Radio to discuss the company’s Q2 performance and trends in the auto industry. You can listen to the interview here:

<https://www.bloomberg.com/news/audio/2020-09-01/carparts-com-ceo-on-outlook-for-auto-industry>

During the interview with Vonnie Quinn and Paul Sweeney, Peker discussed how people are flying less, using public transportation less, and keeping their cars longer than ever before. That, coupled with increased ecommerce penetration in the aftermarket auto parts industry, implies strong long-term demand for CarParts.com’s services.
