SCWorx Confirms Plans for Distribution of COVID-19 Rapid Testing Units

NEW YORK, April 17, 2020 (GLOBE NEWSWIRE) -- **SCWorx Corp. (Nasdaq: WORX)** announced today that it confirms previously disclosed plans to distribute COVID-19 Rapid Testing Units. Previously, the company announced receiving a committed purchase order from [Rethink My Healthcare](#), a U.S.-based virtual healthcare network, for two million COVID-19 Rapid Testing Units, with provision for additional weekly orders of 2 million units for 23 weeks, valued at \$35M per week.

Under the previously disclosed purchase order, SCWorx will supply [Rethink My Healthcare](#) with [IgM/IgG Rapid Detection Kits](#). SCWorx continues to anticipate receiving the first 2 million rapid detection kits within approximately two weeks and looks forward to providing incremental updates as they become available.

About SCWorx Corp.

SCWorx has created The Ultraverse Platform™, an advanced attributed virtualized item data warehouse (“VDW”) utilizing machine learning and artificial intelligence to offer a suite of software-as-a-service based solutions for healthcare providers. The value proposition for customers revolves around full integration of all solution modules with the VDW platform. The solution modules include Virtual Item Master, contract management and request for pricing (RFP) module, automated rebate management module, data interoperability (EMR, MMIS, finance) module, Automated Item Add Portal, Virtual General Ledger, and the data analytics module. SCWorx’s Ultraverse Platform™ creates a single source for information for healthcare providers’ data governance and data analytics for executives.

SCWorx recently formed Direct-Worx to assist its client base in their efforts to acquire Covid-19 related products and services. Direct-Worx has created a Multi-Billion Dollar Healthcare Purchasing Coalition with SCWorx customers.
