Main Street Capital Announces New Investment in Walden Smokey Point

MAIN STREET CAPITAL HAS APPROXIMATELY \$65 MILLION OF CURRENT LIQUIDITY

HOUSTON, Jan. 15 /PRNewswire-FirstCall/ -- Main Street Capital Corporation (Nasdaq: MAIN) ("Main Street") announced today that it has completed a new portfolio investment in Walden Smokey Point, Inc. ("Smokey Point") to support an investor and management led buyout transaction of Smokey Point Distributing, Inc. Main Street's investment in Smokey Point consists of a \$4.8 million second lien, secured debt investment and a \$0.6 million equity investment representing approximately 8.5% of the outstanding common equity interest in Smokey Point. Smokey Point is a leading provider of specialty transportation and logistical services throughout the United States. As a less-than-truckload ("LTL") carrier, Smokey Point operates in a niche sector of the transportation industry, specializing in large, irregular and difficult to handle cargo such as heavy machinery, aerospace parts and raw materials. Smokey Point was founded in 1979 and is based in Arlington, Washington, with an additional terminal in Wichita, Kansas. Smokey Point's growth plans include additional terminals in Southern California and the eastern seaboard.

Subsequent to this new investment, Main Street has approximately \$65 million of liquidity including \$35 million of net cash or short-term investments, which is net of approximately \$5 million in cash reserved for future purchases under Main Street's previously announced share repurchase program, and an undrawn \$30 million investment line of credit facility. Main Street expects that its current liquidity will provide sufficient funding for its new investment and operational activities during the foreseeable future.
