Inogen to Release First Quarter 2014 Financial Results and Host Conference Call on Tuesday, May 13, 2014

GOLETA, Calif., April 29, 2014 (GLOBE NEWSWIRE) -- Inogen, Inc. (Nasdaq:INGN), a medical technology company offering innovative respiratory products for use in the home care setting, announced today that it will release its financial results for the first quarter of 2014 after the close of trading on Tuesday, May 13, 2014. The company will host a corresponding conference call beginning at 1:30pm Pacific Time/4:30pm Eastern Time.

Individuals interested in listening to the conference call may do so by dialing (855) 427-4393 for domestic callers, or (484) 756-4258 for international callers. To listen to a live webcast via the Internet, please visit the investor relations section of Inogen's website at: www.inogen.com. The webcast will be available on Inogen's website for 30 days following the completion of the call.

About Inogen

Inogen is innovation in oxygen therapy. We are a medical technology company that develops, manufactures and markets innovative portable oxygen concentrators used to deliver supplemental long-term oxygen therapy to patients suffering from chronic respiratory conditions.
