Oceania Cruises Unveils 2026 Collection of Voyages with a World of Discovery Across Alaska, the Mediterranean, and Northern Europe

Experience the Magic of Small Ship Voyages Exploring Lesser-Known Ports, Iconic Cities, and Vibrant Resort Towns

MIAMI, Oct. 16, 2024 /PRNewswire/ -- [Oceania Cruises®](#), the world's leading culinary- and destination-focused cruise line, has revealed its 2026 Collection of Voyages featuring an extraordinary breadth of sailings across Alaska, the Mediterranean, Northern Europe, and beyond.

The 2026 Collection of Voyages features more than 100 enticing itineraries, plus 35 Grand Voyages, offering the most enjoyable means of extended exploration by sea aboard six of the line's ultra-premium, small ships.

The thoughtfully planned voyages encourage travelers to ignite their passion for discovery by visiting both renowned and off-the-beaten-path destinations, from Alaska's rugged wilderness to the sun-drenched Mediterranean and the splendors of Northern Europe.

"Oceania Cruises is about discovering the magic of small-ship cruising, where the onboard experiences are just as exceptional as the destinations visited," said Frank A. Del Rio, President of Oceania Cruises. "On board our intimate ships, guests can tailor their experience exactly as they wish, whether that be indulging in a gourmet meal created by our esteemed onboard culinary team or setting out on a shore excursion – the choice is entirely theirs. The convenience of small-ship cruising allows our guests to unpack only once and

seamlessly explore iconic cities and hidden treasures; with no lines, they're able to step ashore quickly, and they are always warmly greeted back aboard with a heartfelt welcome from our onboard team."

Small Ships, Big World

With bucket list trips covering the most incredible locations from Vancouver to Papeete, Istanbul to Barcelona and Reykjavik to London, Oceania Cruises guests can savor the joys of traveling the world on sailings ranging from seven to 67 days. No matter how long their chosen sailing, Oceania Cruises guests can dive deeper into each destination, as the line's small ships spend between 30 and 50 percent more time in each port than premium cruise lines, including many overnight stays. Once ashore, guests can choose from hundreds of excursions in each port of call catering to a wealth of interests, including food, wine, history, architecture, and local culture.

Intriguing itineraries explore world-famous cities such as London, Copenhagen, Seattle, Berlin, Stockholm, and Reykjavik alongside holiday islands including Ibiza, Mykonos, Crete, Rhodes, and Santorini. Additionally, these itineraries offer the chance to explore further, with the line's small ships visiting places rather less expected, such as Trapani, Sicily; Tórshavn, Faroe Islands; Arrecife, Lanzarote, Canary Islands; Mandal, Norway; Liepaja, Latvia; and Lysekil, Sweden.

The 2026 Collection Highlights

- The return of *Riviera*™ to Alaska in 2026, where 14 itineraries will showcase the local culture, soaring glaciers, and pristine wilderness of "The Last Frontier."
