Discover the Nation's Heritage Through Oceania Cruises' Signature Culinary- and Destination-Focused Experiences

MIAMI, Jan. 28, 2026 /PRNewswire/ -- [Oceania Cruises®](#), the world's leading culinary- and destination-focused luxury cruise line, invites discerning travelers to celebrate America's 250th anniversary with a collection of 2026 Alaska and New England voyages. These thoughtfully designed itineraries offer an elegant way to explore the land and history that have shaped the nation, all aboard Oceania Cruises' intimate, luxurious ships.

Between May and October 2026, Oceania Cruises will offer 19 immersive voyages dedicated to Alaska and New England ports, inviting guests to savor unhurried exploration in these iconic regions. From Alaska's untamed wilderness to New England's historic harbors, each journey reflects the enduring American spirit – adventurous, resilient and rich in heritage.

In Alaska, marvel at the wonders of The Last Frontier – calving glaciers, breathtaking fjords, vibrant gold rush towns like Juneau and Skagway, and unforgettable wildlife encounters. Each day brings new adventures, from witnessing Hubbard Glacier's icy splendor to helicopter flightseeing and glacier trekking.

In New England, history comes alive in Boston – the birthplace of the American Revolution – and Newport, Rhode Island, which showcases the riches of America's Gilded Age. Explore storied destinations like Bar Harbor with its scenic coastal paths and historic landmarks, and delight in authentic lobster bakes and vibrant fall foliage.

"Oceania Cruises has always been about immersing travelers into the heart of the destination," said Jason Montague, Chief Luxury Officer of Oceania Cruises. "As America

commemorates its 250th anniversary, we are honored to offer journeys that showcase the country's enduring spirit, mesmerizing landscapes, fascinating history and rich tapestry of culture."

Guests will delight in the serenity and sophistication of Oceania Cruises' designer-inspired ships, *Oceania Riviera*™ and *Oceania Vista*®. These rugged itineraries contrast beautifully with the refined comfort on board, where spacious staterooms and suites, some boasting nearly 2,500 square feet, and The Finest Cuisine at Sea® in speciality venues like Jacques and Polo Grill, create an atmosphere of sheer indulgence.

Each voyage offers authentic ways to connect with nature, culture and cuisine – from small-group shore excursions and wilderness adventures to enriching experiences in The Culinary Center, LYNC Digital Center and the Artist Loft.
