## **Axalta Coating Systems Appoints a New distributor to Strengthen Its Powder Coating Supply Capability in Vietnam**

HO CHI MINH CITY, Vietnam--(BUSINESS WIRE)-- Axalta Coating Systems (NYSE: AXTA), a leading global supplier of liquid and powder coatings, has appointed Ocean Vietnam International Trading Co. Ltd. as its distributor for Alestas<sup>®</sup> powder coatings products in Vietnam to support Axalta's growth strategy in the ASEAN market. Infrastructure growth in the region provides important opportunities for Axalta's Alestas brand of powder coatings which are used in architectural, furniture, transportation and other industrial applications, the need for which is expected to follow economic growth in Southeast Asia.

"Axalta is confident that Ocean's strong and experienced team will help our powder customers in Vietnam to obtain maximum value from our high-quality offerings," said Dewi Djanuwati, Axalta Managing Director in the region. "Ocean's team members are seasoned professionals in the powder coating industry with extensive knowledge of the market and excellent technical capability to support our customers."

Backed by an experienced team and technology expertise, Axalta's superior quality meets performance standards set by leading manufacturers and industry organizations. Alestas powder coatings are an environmentally responsible product that deliver excellent corrosion protection and aesthetically enhance substrates. Available in a variety of technologies for a broad range of applications, Alestas products deliver superior coverage and transfer efficiency which help customers increase performance and reduce overall cost.

"Ocean is familiar with the evolving needs of Vietnamese customers. We look forward to providing Axalta's advanced technologies to meet customers' most demanding requirements," said Edward Wang, Ocean Vietnam General Manager.
