Axalta Named “2016 Best Supplier” by China’s Leading Automotive Components Producer Chongqing P&W Group

SHANGHAI--(BUSINESS WIRE)-- Axalta Coating Systems (NYSE: AXTA), a leading global supplier of liquid and powder coatings, has been named “2016 Best Supplier” by Chongqing P&W Group, one of China’s leading manufacturers of automotive bumpers and exterior and interior components. The Group’s customer portfolio includes some of the best-known carmakers in the country, such as Chang'an Automobile and Chang'an Ford.

The award marks the pinnacle of a 10-year strategic partnership between the two companies, throughout which Axalta has provided sustainable, cutting-edge coating technologies and professional services that have enabled the Chongqing P&W Group to ensure quality, manage costs, improve its coating processes and win business from some of the largest carmakers in China.

“Axalta is honored to be recognized by Chongqing P&W Group and is excited to serve its customers in the China market as well as overseas. This award affirms our coatings technology expertise, customer-focus philosophy, and user-oriented approach to business development,” said James Chen, Business Director of Axalta’s China Transportation business.

His view is shared by Madam Du Qun, General Manager of the Chongqing P&W Group, “We are extremely pleased to have Axalta as one of our critical suppliers. Axalta deserves this recognition for providing sustainable products, advanced technology and professional services which have enabled us to improve our ability to innovate, ensure product quality and provide services to global and local car manufacturers.”
