## **Central Aluminum Supply Featured on the No. 9 Axalta Chevrolet at Dover International Speedway**

PHILADELPHIA--(BUSINESS WIRE)-- Axalta Coating Systems (NYSE: AXTA) partnered with Central Aluminum Supply for the JR Motorsports' No. 9 Axalta Chevrolet paint scheme at Dover International Speedway. Central Aluminum Supply will be featured as the primary sponsor on the hood of the No. 9 car driven by William Byron on Saturday, September 30, 2017. Byron has captured race fans' attention with three wins this season in the NASCAR® Xfinity Series (NXS) and will move to the Cup series to drive the No. 24 car for Hendrick Motorsports next year.

Central Aluminum Supply, a seamless gutter and rain-ware manufacturer and wholesale distributor, serves the residential and commercial markets in New Jersey, Maryland, Eastern New York and Long Island, Delaware, Northern Virginia, and Pennsylvania. Central Aluminum offers a comprehensive color selection, large product line, and gutter machine sales and maintenance. The company's recent expansion includes a 21,000 square foot facility in Paterson, New Jersey. The newest of Central Aluminum's three locations stocks all products and manufactures three profiles of gutters on-site. Central Aluminum Supply plans to open a fourth location in the Washington D.C. area in 2019.

"We enjoy partnering with companies like Central Aluminum Supply, who do an outstanding job listening to and understanding the needs of their customers," said Mike Cash, President of Industrial Coatings at Axalta. "Similar to the traits that make William Byron and the No. 9 car a success, Central Aluminum supply is able to react with speed and agility, while maintaining great quality. It's these shared values that make great partnerships."

"Central Aluminum is pleased to partner with Axalta to sponsor the No. 9 Chevrolet in Dover," said Pete McElvogue, President of Central Aluminum. "We depend on Axalta's products for all of our coil coating needs because their durable, quality finish stands up to harsh exterior environments and helps us maintain our reputation of high quality seamless gutter and rain-ware products."
