Weave Selected as 2021 Dentaltown Townie Choice Award® Winner

For the 2nd year in a row, Dentaltown's Townie Choice Awards® celebrates Weave's all-in-one communication and engagement software

LEHI, Utah--(BUSINESS WIRE)-- Weave, the all-in-one customer communication platform for small business, has been awarded a Dental Townie Choice Award® for its patient communication software. This achievement celebrates new products that make up dentistry's growing technology landscape and further recognizes Weave as a trustworthy and reputable company for dentists to work with.

Now in its 16th year, the Townie Choice Awards have recognized thousands of innovators and companies with their annual vote on peer-recommended products and services in the dental industry. The awards seamlessly capture the unique aspects of new technology and provide winners a forum to be recognized as technological movers and shakers offering the very best of dentistry's growing technology landscape.

"We are honored to be awarded the Townie Choice Award® for a second year in a row," said Roy Banks, Chief Executive Officer of Weave. "This acknowledgement is especially meaningful as our dental customers have endured another year of COVID challenges with true resilience and grit. It's what inspires us at Weave to keep innovating and making their patient communications easier and their office more efficient."

All Townie Choice Winners will be announced and featured in the December 2021 issue of *Dentaltown* magazine.
