## **Salem Media Group, Inc. Announces Second Quarter 2015 Total Revenue Of \$67.3 Million**

CAMARILLO, Calif., Aug. 5, 2015 /PRNewswire/ -- Salem Media Group, Inc. (Nasdaq: SALM) released its results for the three and six months ended June 30, 2015.

### **Second Quarter 2015 Highlights**

- Free cash flow (1) increased 14.9%
- Recurring operating expenses decreased 3.2%
- Adjusted EBITDA (1) increased 3.0%
- The company acquired WPGP-AM (formerly WDDZ-AM) in Pittsburgh, Pennsylvania, WDWD-AM in Atlanta, Georgia, and the Daily Bible Devotion mobile applications

Certain reclassifications have been made to the prior year operating results, condensed financial statements and supplemental information contained in this press release to conform to the current year presentation. These reclassifications include changes in the composition of the company's operating segments based on changes in its business and a realignment of its operating segments following the acquisition of Eagle Publishing during 2014. The change in composition of the company's operating segments conforms to how its chief operating decision makers, defined as a collective group of senior executives, assess the performance of each operating segment and determines appropriate allocations of resources to each segment.

# **(1) Regulation G**

Station operating income, Digital media operating income, publishing operating income, EBITDA, Adjusted EBITDA, and free cash flow are financial measures not prepared in accordance with generally accepted accounting principles ("GAAP"). Station operating income is defined as net broadcast revenue minus broadcast operating expenses. Digital media operating income is defined as Digital media revenue minus Digital media operating expenses. Publishing operating income is defined as publishing revenue minus publishing operating expenses. EBITDA is defined as net income before interest, taxes, depreciation, amortization and change in fair value of interest rate swaps. Adjusted EBITDA is defined as EBITDA before gain or loss on the disposal of assets, change in estimated fair value of contingent earn-out consideration and non-cash compensation expense. Free cash flow is defined as Adjusted EBITDA less cash paid for capital expenditures, less cash paid for income taxes, less cash paid for interest. Salem has provided supplemental information as an attachment to this press release, reconciling these non-GAAP financial measures to the most directly comparable financial measures prepared in accordance with GAAP. The company believes these non-GAAP financial measures, when considered in conjunction with the most directly comparable GAAP financial measures, provide useful measures of the company's operating performance.

Station operating income, Digital media operating income, publishing operating income, EBITDA, Adjusted EBITDA, and free cash flow are generally recognized by the broadcast and media industry as important measures of performance. These measures are used by investors and analysts who report on the industry to provide meaningful comparisons between entities. They are not a measure of liquidity or of performance in accordance with GAAP, and should be viewed as a supplement to and not a substitute for, or superior to, the company's results of operations presented on a GAAP basis such as operating income and net income. Salem's definitions of station operating income, Digital media operating income, publishing operating income, EBITDA, Adjusted EBITDA, and free cash flow are not necessarily comparable to similarly titled measures reported by other companies.
