Important Note Regarding Preliminary, Unaudited Financial Results

Amtech Systems has not completed preparation of its financial statements for the fiscal fourth quarter or full year of 2025. The figures presented in this news release for the fourth quarter of 2025 and year ended September 30, 2025 are preliminary and unaudited and are thus inherently uncertain and subject to change as the Company completes its financial results review for respective periods. Amtech Systems is in the process of completing its customary year-end close and review procedures, and there can be no assurance that final, audited results will not differ from the preliminary results as provided herein.

Safe Harbor/Forward-Looking Statement, Disclosure Information and Non-GAAP Financial Measures

Certain information contained in this press release is forward-looking in nature. All statements in this press release, or made by management of Amtech Systems, Inc. and its subsidiaries ("Amtech"), other than statements of historical fact, are hereby identified as "forward-looking statements" (as such term is defined in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, and the Private Securities Litigation Reform Act of 1995). The forward-looking statements in this press release relate only to events or information as of the date on which the statements are made in this press release. Examples of forward-looking statements include statements regarding Amtech's future financial results, delivering profitable growth, creating long-term value for our shareholders, long-term future prospects, operating results, business strategies, projected costs, the optimization and reduction of structural costs, products under development, competitive positions, plans and objectives of Amtech and its management for future operations, efforts to improve operational efficiencies and effectiveness and profitably grow our revenue, and enhancements to our technologies and expansion of our product portfolio. In some cases, forward-looking statements can be identified by terminology such as "may," "plan," "anticipate," "seek," "will," "expect," "intend," "estimate," "believe," "continue," "predict," "potential," "project," "should," "would," "could", "likely," "future," "target," "forecast," "goal," "observe," and "strategy" or the negative of these terms or other comparable terminology used in this press release or by our management, which are intended to identify such forward-looking statements. These statements are not guarantees

of future performance and involve risks, uncertainties and assumptions that are difficult to predict. The Form 10-K that Amtech filed with the Securities and Exchange Commission (the "SEC") for the year-ended September 30, 2024, listed various important factors that could affect the Company's future operating results and financial condition and could cause actual results to differ materially from historical results and expectations based on forward-looking statements made in this document or elsewhere by Amtech or on its behalf. These factors can be found under the heading "Risk Factors" in the Form 10-K and in our subsequently filed Quarterly Reports on Form 10-Qs, and investors should refer to them. Because it is not possible to predict or identify all such factors, any such list cannot be considered a complete set of all potential risks or uncertainties. Except as required by law, we undertake no obligation to publicly update forward-looking statements, whether as a result of new information, future events, or otherwise.

Amtech Systems may use its website (www.amtechsystems.com), investor relations page (<https://www.amtechsystems.com/investors>), and LinkedIn page (<https://www.linkedin.com/company/amtechsystems>) to disclose material non-public information and for complying with its disclosure obligations under Regulation FD. Accordingly, investors and other interested parties should monitor these sites, in addition to following Amtech Systems press releases, Securities and Exchange Commission (SEC) filings, public conference calls and public presentations/webcasts.

References in this press release are made to non-GAAP (Generally Accepted Accounting Principles) financial measures, including profitability and operating/net income excluding one-time items, EBITDA (Earnings Before Interest, Taxes, Depreciation and Amortization), Adjusted EBITDA (AEBITDA), which excludes equity compensation, and AEBITDA excluding one-time items. These measures are provided as a supplement to GAAP results and offer additional insights into the Company's results and facilitate the comparison of results. Reconciliations are available in the tables of the full earnings results press releases.
