*Completes corporate rebranding under Data Science and Acoustic Science divisions
Announces new Nasdaq ticker symbol DVLT, effective on February 14, 2025*

BEAVERTON, Ore.--(BUSINESS WIRE)-- WiSA Technologies, Inc. (Nasdaq: WISA) has changed its name to Datavault[®] AI Inc., marking its strategic alignment on the visualization, valuation, and monetization of assets in the Web 3.0 environment. In addition, effective at the open of trading on February 14, the company's common stock, formerly traded under Nasdaq ticker WISA, will begin trading on Nasdaq under the new ticker symbol DVLT. In conjunction with the ticker change, the CUSIP number remains the same, which is 86633R609.

Nathaniel T. Bradley, CEO of Datavault AI, said, "Completing our rebranding as Datavault AI, we've aligned the company with our core focus and broad reach into multiple, rapidly growing markets. We have integrated our assets, organized under our Data Science and Acoustic Science divisions. Now, we are well-positioned to realize partnering opportunities and grow the business across multiple vertical markets in 2025 and beyond."

Datavault AI is a data technology and licensing company that enables clients and strategic partners to monetize their Blockchain Data and AI Web 3.0 assets via tokenization, data ownership and digital twins offering two primary solutions:

- Data Science licenses High Performance Computing (HPC) software applications and Web 3.0 data management serving the biotech, energy, education, fintech, real estate, and healthcare industries, among others.
- Acoustic Science licenses spatial and multichannel HD sound transmission, including proprietary brands ADIO[®], WiSA[®] and Sumerian[®], to customers in sports & entertainment, events & venues, restaurants, automotive, finance, and other industries.

About Datavault AI Inc.
