Advanced Human Imaging concludes Formal Agreements with Singapore based BizBaz Pte Ltd

SOUTH PERTH, Australia, April 04, 2022 (GLOBE NEWSWIRE) -- **Advanced Human Imaging Limited** (ASX, NASDAQ: **AHI**) is pleased to update shareholders of the completion of the Master Services Agreement (“MSA” or “agreement”) with Singapore based digital health and financial intelligence platform **BIZBAZ Pte Ltd** (“**BizBaz**”).

The parties have executed the standard AHI MSA which entails the legal and contractual terms in which AHI agrees to grant BizBaz the right to use AHI’s licensed Software Development Kits (SDKs) for IOS and Android platforms for body circumference measurements, face scan measurements and related intellectual property once integrated into the BizBaz application/platform.

The MSA incorporates the following information and guidelines: commercial undertakings, software development kit, end user license, technology support, data processing agreement, fee schedule and professional services, including implementation support and training services, which are to be provided by AHI within the agreement with BizBaz.

The initial term of the MSA is for one year from commencement and will automatically extend for subsequent consecutive periods each of equivalent length to the initial term. Early termination procedures are included for either party to the MSA.

The financial impact of this MSA on AHI cannot be currently quantified and there are no minimum order requirements contained in the agreement.

About Bizbaz:

Bizbaz offers financial intelligence solutions to financial institutions, fintech and e-commerce companies in Asia, including comprehensive consumer and SME profiling and prescoring solutions, which enable them to engage the unbanked and underserved populations and organizations in Asia. Bizbaz products are built considering glades research and cutting-edge insight from behavioural sciences and leverage neural networks and other ML methodologies when collecting, analysing, and extracting insights.

With teams in Singapore, Israel, Vietnam, Philippines and Malaysia, Bizbaz offers a full suite of data-driven health and financial intelligence solutions, including but not limited to, comprehensive health and financial risk assessments, alternative credit scoring, fraud detection, eKYC, financial product aggregation and recommendation systems.
