SM Energy Announces Appointment of New Director

DENVER--(BUSINESS WIRE)-- SM Energy Company (NYSE: SM) today announces that Rose M. Robeson has been appointed to serve as a director of the Company, effective July 11, 2014. Ms. Robeson will serve as an independent director and as a member of the Audit Committee and Compensation Committee of the Board of Directors.

Bill Sullivan, Chairman of the Board, comments, "We are pleased to have an individual of Rose's reputation and experience joining SM Energy. Rose brings a strong background in finance and accounting, with more than 25 years of experience in our industry. She will enhance the diverse expertise, knowledge, and skills brought to our Company and its stockholders by our board. I look forward to her advice and counsel as we continue to execute our growth strategy."

Ms. Robeson most recently served as Senior Vice President and Chief Financial Officer of DCP Midstream GP, LLC, the General Partner of DCP Midstream Partners LP, from 2012 to 2014. Ms. Robeson also served as Group Vice President and Chief Financial Officer of DCP Midstream LLC from 2002 to 2012. Prior to her appointment as CFO of DCP Midstream LLC, Ms. Robeson was the Vice President and Treasurer. Prior to joining DCP Midstream, LLC, Rose was with Kinder Morgan, Inc. (formerly KN Energy, Inc.) from 1996 to 2000 and held the position of Vice President & Treasurer.

INFORMATION ABOUT FORWARD LOOKING STATEMENTS

This release contains forward looking statements within the meaning of securities laws. The words "anticipate," "assume," "believe," "budget," "estimate," "expect," "forecast," "intend," "plan," "project," "will" and similar expressions are intended to identify forward looking statements. These statements involve known and unknown risks, which may cause SM Energy's actual results to differ materially from results expressed or implied by the forward looking statements. These risks include factors such as the availability, proximity and capacity of gathering, processing and transportation facilities; the uncertainty of negotiations to result in an agreement or a completed transaction; the uncertain nature of announced acquisition, divestiture, joint venture, farm down or similar efforts and the ability to complete any such transactions; the uncertain nature of expected benefits from the actual or expected acquisition, divestiture, joint venture, farm down or similar efforts; the volatility and level of oil, natural gas, and natural gas liquids prices; uncertainties inherent in projecting future rates of production from drilling activities and acquisitions; the imprecise nature of estimating oil and gas reserves; the availability of additional economically attractive exploration, development, and acquisition opportunities for future growth and any necessary financings; unexpected drilling conditions and results; unsuccessful exploration and development drilling results; the availability of drilling, completion, and operating equipment and services; the risks associated with the Company's commodity price risk management strategy; uncertainty regarding the ultimate impact of potentially dilutive securities; and other such matters discussed in the "Risk Factors" section of SM Energy's 2013 Annual Report on Form 10-K.

The forward looking statements contained herein speak as of the date of this announcement. Although SM Energy may from time to time voluntarily update its prior forward looking statements, it disclaims any commitment to do so except as required by securities laws.
