ENGLEWOOD, Colo.--(BUSINESS WIRE)-- Liberty Interactive Corporation (“Liberty”) (Nasdaq: QVCA, QVCB, LVNTA, LVNTB) announced today that its wholly owned subsidiary Liberty Interactive LLC (the “Company”) intends to issue senior debentures exchangeable for Charter Communications, Inc. Class A common stock in a private offering. The debentures will be exchangeable at the option of holders during specified periods. Upon an exchange of debentures, the Company, at its option, may deliver Charter Communications, Inc. (“Charter”) Class A common stock, cash or a combination of Charter Class A common stock and cash. The Company expects to use the net proceeds of the offering for one or more of the following purposes: to repay up to \$450 million outstanding under a margin loan facility recently entered into by its wholly owned special purpose subsidiary LV Bridge, LLC; to repurchase, in privately negotiated transactions, its outstanding 0.75% exchangeable senior debentures due 2043 (the “2043 Debentures”); and to the extent holders tender their 2043 Debentures for exchange, to satisfy its exchange obligation in cash. Any remaining net proceeds will be used for general corporate purposes, including to pay interest on the debentures.

The debentures, as well as the associated cash proceeds, will be attributed to the Liberty Ventures Group.

The offering of the debentures will not be registered under the Securities Act of 1933, as amended (the “Securities Act”), or any state securities laws and, unless so registered, may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. The debentures will be offered by means of an offering memorandum solely to “Qualified Institutional Buyers” pursuant to, and as that term is defined in, Rule 144A of the Securities Act. This press release does not constitute an offer to sell or the solicitation of an offer to buy the debentures nor shall there be any sale of debentures in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such state.
