

Company Overview

XSport Global, Inc. is a leading youth and collegiate sports technology and media holding company focused on developing disruptive sports-centric technologies and related media projects around the world, where sports industries and players are highly regarded. Backed by a roster of professional athletes and brand ambassadors, we seek to help athletes achieve their full potential through cognitive training, careers, genetics, recruiting and more. Our flagship company HeadTrainer, Inc was established to create, develop, promote, market, produce, and distribute online/mobile application cognitive training tools initially intended for the youth, millennial, and adult sports markets. The mobile platform was designed and developed in careful coordination with a team of professionals from the fields of science and medicine, and world-class athletes from a variety of sports.
