WiSA Announces Certification of Savant's Smart Audio Family of Entertainment Products

Premium WiSA Certified Line Up Includes High-Performance 3-Channel L/C/R Sound Bar, Optional Smart Audio Wireless Powered Surround Speakers and the Smart Audio Nano 1X Subwoofer

SAN JOSE, Calif.--(BUSINESS WIRE)-- [WiSA® LLC](#), the Wireless Speaker and Audio Association, comprised of over 60 leading consumer electronics brands, and founded by SummitWireless Technologies (NASDAQ: WISA), today announced it has certified Savant's Smart Audio family of entertainment products. This premium WiSA Certified™ product line, available now, includes a high-performance, powered 55-inch 3-channel L/C/R sound bar, optional Smart Audio wireless powered surround speakers and the Smart Audio Nano 1X subwoofer. [Savant](#) is a recognized leader in home control and automation, and one of the fastest-growing smart home companies in the luxury and mid-markets.

Savant's WiSA Certified Smart Audio Sound Bar delivers an unmatched combination of connectivity, control, wireless capability and superb sound quality while utilizing WiSA technology to easily expand into a complete surround sound system by adding a WiSA Certified subwoofer and surrounds.

"Savant is delivering an advanced solution for consumers who demand the very best in a connected home entertainment experience," stated Tony Ostrom, president of WiSA. "We're very happy to add this premium, smart family of products to the rapidly expanding roster of WiSA Certified components and see the wireless home audio category grow in a new and exciting direction."

The scalable WiSA wireless platform transmits high-resolution 24-bit digital audio at 48 kHz/96kHz with less than 1/10th the latency of a Bluetooth audio device, keeping movie soundtracks and music content in perfect sync. WiSA's precise wireless protocol ensures that all speakers in the system are Certified to be synchronized within 1/1,000,000 of a second, even when using all eight channels. WiSA automatically recognizes audio channel configurations from 2.0 to 7.1 and even 5.1.2.

"With WiSA Certification, our new Smart Audio product family provides the next generation of wireless home entertainment with superior sound and ease of setup," said George Katsiris, VP, product evangelist at Savant. "These products provide the foundation for a seamless, wireless solution that delivers a game-changing audio experience."

WiSA Certified components work together seamlessly to deliver wireless, multi-channel

audio and authentic movie theater sound that immerses the listener into the middle of movies and video, music, sports, gaming/esports and more. As a result, consumers can expect an audiophile experience, but unlike traditional audio systems, setup is simple and takes just minutes, even for larger 5.1 and 7.1 systems.
