IRVING, Texas, March 2, 2026 /PRNewswire/ -- [Michael's](#) is fueling the joy of creativity and celebration with the launch of its upgraded loyalty program, making it easier and more rewarding than ever for customers to create and celebrate what they love. Today, customers will find enhanced benefits and a new 9% rewards tier, designed to give them more back on every project, party, and purchase.

"The relaunch of our loyalty program is about recognizing and rewarding our most dedicated shoppers," said Heather Bennett, President & Chief Customer Officer at Michael's. "By introducing a new tier structure with enhanced benefits reaching up to 9% back in rewards, we're saying thank you with more value and more inspiration for every project or celebration our customers take on."

Create More, Earn More

The more customers shop and engage, the more they unlock. Michael's loyalty program now features three newly defined tiers designed to reward every level of creativity:

- Red members earn 3% just for joining
- Gold members earn 6% after \$300 in annual spend
- Platinum members earn 9% after \$1,000 in annual spend

Each tier builds on the last, stacking on more rewards, exclusive access, and elevated recognition including tiered Birthday Perks for every member (30% for Red, 40% for Gold, and 50% for Platinum). Gold and Platinum members will also enjoy extras like:

- Everyday Perks – tier-based coupons for regular-priced items that can be used everyday (20% for Gold, 25% for Platinum)
- Exclusive first looks at new products and events
- A complimentary Michaels tote bag just for Platinum members

Expanded Cardholder Benefits

Michaels credit cardholders continue to enjoy premium benefits, including periodic free shipping, 20% off their first purchase, special financing offers, and no annual spend requirement—now enhanced with new Birthday and Everyday Perks. While all Rewards members access exclusive member-only perks, Cardholders receive a 30% discount on items every day. Cardholders will also score an exclusive extra 10% discount on custom framing, making it even easier to create memorable keepsakes.

These updates reflect Michaels' ongoing commitment to providing a best-in-class shopping experience by delivering exceptional value to customers—no matter what they are shopping for. Enhanced rewards will be available to even more customers across North America as Michaels prepares to launch its loyalty program in Canada for the first time next month.
