Hi Mike,

For your review. Please let me know if you want any changes. This is really just for the FEMA leadership team, but I want to make sure we addressed everything you expected. We can also share with OIG.

Thank you for your patience. Jan just said they are still working the decision memo for the Governor. OCPC said they will have the Cobra contract at FOMB tonight. I am standing by to see if we need to push on FOMB. Cobra is working with PowerSecure on a subcontracting agreement.

Thank you again,
