Sunniva Announces Commencement of Arbitration and Update on Progress Towards Completion of CCAA Plan

VANCOUVER, BC, April 5, 2021 /CNW/ - Sunniva Inc. ("Sunniva", the "Company") (CSE: SNN) (OTC: SNNVF) announces that on April 2, 2021, the Company's wholly-owned subsidiary CP Logistics, LLC ("CPL") commenced an arbitration with JAMS Arbitration in California against Bobs LLC ("Bobs"), the current owner and Landlord of the property in Cathedral City, California in which CPL is the tenant under an October 2017 Build to Suit Lease (the "Lease"). That arbitration seeks, among other things, specific performance of the Lease governing CPL's rights as a tenant, including an Order declaring that the Lease was never terminated, that Bobs is obligated to complete construction of the glasshouse and that CPL is entitled to occupy the premises upon completion pursuant to the terms of the Lease. The arbitration also seeks a declaration that CPL is entitled to day-to-day rent abatement upon occupancy for each day of delay in the completion of the building attributable to the actions of the owner/landlord, as well as monetary damages, including lost profits.

The Company also provides an update on its progress towards implementing the Amended Consolidated Plan of Arrangement and Compromise of Sunniva and its Canadian subsidiaries (the "Plan") under the Companies Creditors Arrangement Act ("CCAA"). As previously announced, the Plan was approved the requisite majorities of creditors and sanctioned by the British Columbia Supreme Court (the "Court"). Implementation of the Plan is subject to, among other things, the partial revocation of the Cease Trade Order (as defined below) to permit the issuance of common shares in connection with a debt-to-equity conversion contemplated under the Plan (the "Debt Conversion"), and the fulfilment or waiver of certain other conditions more particularly set out in the Plan.

As contemplated by the Plan, Sunniva has made an application to the British Columbia Securities Commission and the Ontario Securities Commission for a partial revocation of the Cease Trade Order (the "Partial Revocation") to allow the Company to complete the Debt Conversion. If the Partial Revocation is obtained, the Company intends to complete the Debt Conversion and the Plan and schedule a meeting of shareholders.

Sunniva has also engaged audit firm, MNP, to perform audits for the financial years ended December 31, 2020 and 2019. MNP has prepared year end audits and quarterly reviews for the Company since 2017. In addition to the audits, the finance team has engaged tax firms in Canada and the US to file returns.

Pursuant to the Order made February 12, 2021, the Monitor has returned to the Company CAD\$1.3M that was being held in trust pursuant to an order made November 27, 2020. In addition, a U.S. subsidiary of the Company has raised CAD\$1.6M through the issue of promissory notes and pursuant to an order made December 11, 2020, the Company and its

Canadian subsidiaries raised CAD\$92K through the sale of equipment in Q1 2021. The Company's use of the funds remains subject to the oversight of the CCAA proceedings and the funds are being used to complete the steps and activities contemplated by the Plan.

In accordance with the policies of the Canadian Securities Exchange (the "CSE"), in connection with the CCAA proceedings, the CSE will be reviewing the continued listing of the common shares of the Company. The common shares of the Company have been subject to a cease trade order since June 22, 2020 for failure to file certain financial documents (the "Cease Trade Order"). Trading of the shares will continue to be suspending until the CCAA process has been completed and the Cease Trade Order has been fully revoked.
