Staff Management | SMX Recognized by Clients for Service Excellence with ClearlyRated 2020 Best of Staffing Client Diamond Award

CHICAGO--(BUSINESS WIRE)-- Staff Management | SMX, a TrueBlue company, received ClearlyRated's 2020 Best of Staffing Client Diamond Award, which is awarded exclusively to companies once they have appeared on ClearlyRated's Best of Staffing list for five years. Fewer than 2 percent of all staffing agencies in the U.S. and Canada earn the Best of Staffing award annually.

Staff Management | SMX received an overall Net Promoter Score of 55.2 percent, an increase of 4 percent over 2018 and significantly higher than the industry average of -2 percent.

"We are grateful that our clients have rated us among the highest levels of satisfaction and engagement for the fifth consecutive year," said Jerry Wimer, senior vice president and general manager of Staff Management | SMX. "Genuine, measurable client satisfaction is the foundation of Staff Management | SMX and part of our commitment to continually meeting our clients' needs."

The award, which measures service excellence through client satisfaction scores, is the only one in the U.S. and Canada based entirely on client ratings. In the survey, Staff Management | SMX clients rated their experience over the past six months with the company's on-site and contingent workforce management services, as well as areas such as timeliness in responding to issues, submission of candidates, culture fit, ability to meet timetables and expectations.

"Now more than ever, it is important for staffing firms to deliver consistently remarkable experiences to the clients and talent they work with," said ClearlyRated's CEO Eric Gregg. "This year's Best of Staffing winners have shown their commitment to exceptional service, committing to not only measuring satisfaction, but taking action on the feedback. I couldn't be more proud to showcase these industry leaders alongside feedback from their actual clients and candidates on ClearlyRated.com and applaud them for their commitment to making improvements at their respective firms."
