Clients recognize brands for excellence in client service three years in a row

TACOMA, Wash., Feb. 6, 2024 /PRNewswire/ -- TrueBlue's (NYSE: TBI) PeopleManagement is pleased to announce that its three brands — Staff Management | SMX, SIMOS Solutions and Centerline Drivers — have been recognized by the ClearlyRated 2024 Best of Staffing Awards for superior service to customers. Centerline Drivers and SIMOS Solutions have won the award for the third year in a row.

The award surveys customers about their satisfaction with various areas of the business. Staff Management | SMX is a Diamond winner for the fourth year in a row, which recognizes companies who have been on the Clearly Rated Best of Staffing list for more than five consecutive years.

"This repeated recognition underscores our unwavering commitment to delivering exceptional service to our customers year after year and reflects our entire team's hard work and dedication," said Taryn Owen, President and CEO of TrueBlue. "As we celebrate this achievement with gratitude, we remain steadfast in our mission to connect people and work."
