Ricky Gervais Launches New Show Exclusively on SiriusXM

The multiple Emmy and Golden Globe-winning comedian will host "Ricky Gervais Is Deadly Sirius" starting October 24

Guests include musician Noel Gallagher and renowned scientist Richard Dawkins

NEW YORK, Oct. 18, 2017 /PRNewswire/ -- Today SiriusXM announced that award-winning comedian and actor Ricky Gervais will launch a new show exclusively on SiriusXM. Broadcast from London, New York, and other destinations from around the world, "Ricky Gervais Is Deadly Sirius" will premiere on October 24 at 11:00 a.m. ET. The one-hour show will air weekly on Comedy Greats channel 94.

"I started out in radio, and SiriusXM made me an offer to return that I couldn't refuse," Gervais said. "With 32 million subscribers, editorial control, my own playlist and absolute freedom of speech, it's the perfect platform for me, and hopefully the listener too."

"Ricky Gervais is undoubtedly one of the most uniquely talented comedians in the game," said Scott Greenstein, President and Chief Content Officer, SiriusXM. "Whether he's starring in a beloved television show, delivering raucous stand-up before a crowd of 20,000, or skewering celebrities at an awards show, the bottom line is that Ricky is a compelling performer whose legion of fans is only growing. We're ecstatic that he's bringing those many talents to SiriusXM, where he'll tackle some of life's big mysteries, while he charms and enlightens our more than 32 million subscribers nationwide."

Ricky Gervais launched his entertainment career as a London-based radio host, honing his interview skills and sharing his love of music. Now one of the world's most popular and charismatic comedians will return to his roots and join SiriusXM, tackling more "sirius" topics with some of the most respected experts in their fields. Whether it's a conversation with scientist and author Richard Dawkins about religion and the afterlife, or rocker Noel Gallagher on hijinks with his bandmates and his musical influences, Gervais will have thought-provoking discussions about the topics he feels the most passionate about, namely music, science, art, and ethics.

"Ricky Gervais Is Deadly Sirius" will air Tuesdays at 11:00 a.m. ET on SiriusXM Comedy Greats channel 94, and will then re-air the same day at 5:00 p.m. ET on Raw Dog channel 99.

For two decades Ricky Gervais has been celebrated for his charm, razor-sharp wit, trademark laugh, and unapologetic sense of humor, with his stand-up tours routinely selling out arenas in every corner of the globe. He first became a household name in the United States following the critically-acclaimed run of "The Office" in the United Kingdom. Gervais co-created the original program and produced the wildly popular U.S. version before moving on to films and more television hits with "Extras" and "Derek."

During a highly successful career that spans the worlds of film, television, and music, Gervais has won seven BAFTA awards, three Golden Globe Awards, and two Emmy Awards, solidifying his position as one of the biggest names in comedy. Along the way he amassed a passionate fan base, including a large social media presence that comprises more than 12.8 million Twitter followers.

His fans can now get a weekly dose of Ricky on Comedy Greats channel 94, as well as via SiriusXM On Demand, through the SiriusXM app on smartphones and other connected devices, as well as online www.siriusxm.com/player. SiriusXM also recently announced that its 200+ channels, including Comedy Greats, are now also available for streaming to SiriusXM subscribers nationwide with Amazon Alexa. Go to www.SiriusXM.com/AmazonAlexa to learn more.

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to

predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results and the timing of events to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract and retain subscribers, which is uncertain; interference to our service from wireless operations; consumer protection laws and their enforcement; unfavorable outcomes of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry; general economic conditions; the security of the personal information about our customers; existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; our failure to realize benefits of acquisitions or other strategic initiatives; rapid technological and industry changes; failure of third parties to perform; our failure to comply with FCC requirements; modifications to our business plan; our indebtedness; our principal stockholder has significant influence over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock; impairment of our business by third-party intellectual property rights; and changes to our dividend policies which could occur at any time. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2016, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
