### **About Max Mutchnick:**

Max Mutchnick is the co-creator/executive producer of the 16-time Emmy Award-winning comedy series "Will & Grace." The beloved comedy returned to NBC last fall to critical and commercial success, reaching 15.8 million viewers (L+7) for its triumphant premiere. Mutchnick started his entertainment career almost 25 years ago as a writer for legendary television producer Alan Funt on "Candid Camera." Shortly after, he partnered with high school best friend David Kohan and began their career as joke writers for "The Dennis Miller Show." As a writing team, Kohan and Mutchnick have created numerous television series. In September 2016, while sitting in the back of a cab in London, Mutchnick had the idea to create an online reunion of "Will & Grace" as a response to the chaos of the 2016 election. It was directed by James Burrows and brought together almost the entire original production team from the pilot. The video, #VoteHoney, received an overwhelming response and was the impetus for bringing the show back to NBC.
