SiriusXM Presents The Beach Boys Town Hall in Hollywood

Rare group Q&A with the band, moderated by Rob Reiner, for SiriusXM listeners at legendary Capitol Studios

NEW YORK, July 24, 2018 /PRNewswire/ -- SiriusXM announced today that The Beach Boys will sit down for an intimate Q&A session with a select group of listeners for the SiriusXM "Town Hall" series at the legendary Capitol Studios in Hollywood on July 30. The session will be moderated by Emmy award-winning actor, director, producer and writer Rob Reiner and will air on August 10 at 5 PM ET/PT on Good Vibrations: The Beach Boys Channel (channel 4.)

In a rare live group appearance, founding members Brian Wilson, Mike Love, Al Jardine and David Marks along with long time Beach Boy, Bruce Johnston, will gather to speak with Reiner and answer questions from fans about their SiriusXM channel, their new album, *The Beach Boys with The Royal Philharmonic Orchestra* and their celebrated career as one of the world's most beloved and respected bands. Fittingly, the Town Hall will take place at the Capitol Records Tower, the home of the band's first major label affiliation and the studio where they recorded some of their early material.

"It was a thrill to launch a full time The Beach Boys channel in May, and our listeners have loved it," said Scott Greenstein, President and Chief Content Officer, SiriusXM. "Now this Town Hall is another rarity we are excited to present: all the band members in one place for a special session with fans. It underscores the connection SiriusXM allows listeners to have with some of the biggest musicians of all time - in this case, the original 'American band.'"

Jerry Schilling, The Beach Boys' manager said, "The entire The Beach Boys band and organization is looking forward to this SiriusXM Town Hall. It will be an historic event, as five band members gather for a conversation with their fans and Rob Reiner. They have not all been in the same place since their 50th anniversary shows in 2012. This is a rare and special moment for the band and SiriusXM listeners. It's been a pleasure working with SiriusXM to make this happen."

SiriusXM subscribers are able to listen to Good Vibrations: The Beach Boys channel on SiriusXM radios, and those with streaming access can listen online, on-the-go with the SiriusXM mobile app and at home on a wide variety of connected devices including smart TVs, Amazon Alexa devices, Apple TV, PlayStation, Roku, Sonos speakers and more. Go to www.SiriusXM.com/streaming to learn more.

The event is part of SiriusXM's "Town Hall" series, which features intimate gatherings with an iconic personality sitting down with a studio audience of SiriusXM listeners. After the debut broadcast, the program will be available on SiriusXM On Demand for subscribers via the [SiriusXM app](#) and online at [SiriusXM.com](#).

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results and the timing of events to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract and retain subscribers, which is uncertain; interference to our service from wireless operations; consumer protection laws and their enforcement; unfavorable outcomes of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry; general economic conditions; the security of the personal information about our customers; existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; our failure to realize benefits of acquisitions or other strategic initiatives; rapid technological and industry changes; failure of third parties to perform; our failure to comply

with FCC requirements; modifications to our business plan; our indebtedness; our principal stockholder has significant influence over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock; impairment of our business by third-party intellectual property rights; and changes to our dividend policies which could occur at any time. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2017, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
