## **Eight-time PGA TOUR Winner Brad Faxon Joins SiriusXM**

**Will host "Just the Fax" every Monday starting Feb. 4 on the SiriusXM PGA TOUR Radio channel**

NEW YORK, Jan. 30, 2019 /PRNewswire/ -- SiriusXM today announced that Brad Faxon, an eight-time winner on the PGA TOUR, will host an exclusive new show on the SiriusXM PGA TOUR Radio channel.

*Just the Fax* will debut this Monday, February 4, and air every Monday (4:00-5:00 pm ET) on Sirius channel 208, XM channel 92 and on the SiriusXM app. Faxon will discuss the most recent tournament news, interview and chat with personalities from around the world of golf, and offer insight and instruction to those who listen or call in to the show.

"I am honored and thrilled to become part of the SiriusXM family," said Faxon. "Anyone who knows me will tell you I love to talk about this sport. The best part of this platform is the ability to spend quality time with the listeners, maybe teach them a little something they can use on their next round and even give them a glimpse behind the scenes of the Tour or a favorite player."

"Brad is a terrific addition to SiriusXM PGA TOUR Radio," said Scott Greenstein, SiriusXM's President and Chief Content Officer. "He is a masterful putter, and some of the best players in the game have sought his advice, so giving our listeners the opportunity to hear him talk about his approach and technique on the green is very special and something we are very excited about. His perspective on the game as a multi-time Tour winner, and the conversations he'll have with his many guests, will have fans eager to tune in each week."

Faxon has won 11 total professional golf events worldwide and has played on two Ryder Cup teams. Throughout the 1990s he was perennially a top 20 golfer in the Official World Golf Ranking, and during that time he recorded top ten finishes in the Masters (T-9 in 1993), The Open Championship (7<sup>th</sup> in 1994) and PGA Championship (5<sup>th</sup> in 1995).

Throughout his career Faxon has stood out as one of the best putters in the game. He led the PGA TOUR in putting average in 1996, 1999 and 2000 and he has counseled some of the top players in the world on techniques for improving their performance on the green.

In 2005, Faxon received one of golf's highest honors when he received the Payne Stewart Award, which is given to a player who best exemplifies Stewart's steadfast values of

character, charity and sportsmanship.

*This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements.*

*The following factors, among others, could cause actual results and the timing of events to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract and retain subscribers, which is uncertain; interference to our service from wireless operations; consumer protection laws and their enforcement; unfavorable outcomes of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry; general economic conditions; the security of the personal information about our customers; existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; our failure to realize benefits of acquisitions or other strategic initiatives; rapid technological and industry changes; failure of third parties to perform; our failure to comply with FCC requirements; modifications to our business plan; our indebtedness; our principal stockholder has significant influence over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock;*

*impairment of our business by third-party intellectual property rights; and changes to our dividend policies which could occur at any time. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2017, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.*
