SiriusXM Is Now Standard on All International® Truck On-Highway Models

Leading commercial truck manufacturer to feature SiriusXM radios and offer a three-month SiriusXM All Access subscription to drivers

NEW YORK, Feb. 5, 2019 /PRNewswire/ -- SiriusXM today announced that SiriusXM radios are now standard equipment in the United States on International Truck's entire collection of on-highway tractors – the LoneStar®, LT® Series and RH™ Series. Additionally, anyone purchasing one of these models will receive a three-month introductory subscription to SiriusXM All Access, which is SiriusXM's most expansive programming package and gives the subscriber access to SiriusXM both on the radio and via the SiriusXM app.

"Our trucks are our drivers' homes while on the road, so providing comfort is a top priority for us," said Jim Nachtman, Navistar heavy duty marketing director. "We're proud to partner with SiriusXM to enhance the experience for our drivers by delivering news and entertainment without distraction."

"Long-haul drivers are some of our most dedicated subscribers. Nobody but SiriusXM offers them coast to coast service featuring the variety of uninterrupted, easy access to music, sports, entertainment, news and more," said Joe Verbrugge, EVP & GM, Emerging Business for SiriusXM. "International Truck boasts an impressive lineup of driver-centric heavy-duty trucks, and by working with them to make SiriusXM standard on their best-selling models we are making it easier than ever for more of their drivers to enjoy the benefit of SiriusXM in the cab."

SiriusXM All Access delivers the most comprehensive bundle of entertainment, sports and news programming available in the vehicle. It includes Howard Stern's two exclusive channels, the Road Dog Trucking channel, commercial-free music from many genres, plus every NFL, MLB®, and NBA game, every NASCAR® race, NHL® games, PGA TOUR® coverage, college sports, some of the biggest names and brands in entertainment, news and comedy, and more.

SiriusXM All Access subscribers also get streaming access to SiriusXM, enabling them to connect to their favorite channels online, on-the-go with the SiriusXM mobile app, and at home on a wide variety of connected devices. The SiriusXM app offers more than 200 channels of content, including several exclusive online-only channels, and thousands of hours of on-demand content that allow the listener to hear more of what they want, when they want it.

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results and the timing of events to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract or increase the number of subscribers, which is uncertain; our ability to profitably attract and retain more price-sensitive consumers; failure to protect the security of personal information about our customers; interference to our service from wireless operations; a decline in the effectiveness of our extensive marketing efforts; consumer protection laws and their enforcement; our failure to realize benefits of acquisitions or other strategic initiatives, including the acquisition of Pandora Media, Inc.; unfavorable outcomes of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry; general economic conditions; existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; rapid technological and industry changes; failure of third parties to perform; our failure to comply with FCC requirements; modifications to our business plan; our indebtedness; damage to our studios, networks or other facilities as a result of terrorism or natural catastrophes; our principal stockholder has significant influence over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock; impairment of our business by third-party intellectual property rights; and changes to our dividend policies which could occur at any time. Additional factors that could cause our results to differ materially from those

described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2018, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
