Howard Stern and SiriusXM Announce Launch of "Howard Stern's Saturday Soundtracks"

The greatest music performances from the "Howard Stern Show" will now be presented in a radio series for SiriusXM's "Howard 101" channel and video series for "Howard Stern Video"

NEW YORK, March 6, 2019 /PRNewswire/ -- Today Howard Stern and SiriusXM announced *Howard Stern's Saturday Soundtracks*, a weekly exploration of the most intimate, innovative, and inspiring music performances recorded both recently and over the decades on the *Howard Stern Show*.

The radio premiere will be March 9 at 9:00 a.m. ET on his exclusive SiriusXM channel, Howard 101, with replays later in the day. A new episode will air every Saturday and be available On Demand via the SiriusXM app.

The Howard Stern Video episode of *Saturday Soundtracks* will be released every Saturday via the SiriusXM app, and will provide fans with performances that haven't been seen in many years.

Howard Stern is among the strongest advocates for musicians, giving exposure on his massive radio show to major artists and up-and-comers. Last year, he inducted Bon Jovi into the Rock and Roll Hall of Fame. Last week, Stern welcomed Gary Clark, Jr. on the show, with Def Leppard expected to be a guest in March.

The *Howard Stern Show's* music archives are a master class in songwriting, musicianship, and performance. Amazing artists play hits, personal choices, and tribute covers, in the intimate setting of Howard's radio studio – sometimes acoustic and sometimes with full concert rigs. Some of the musicians include **AC/DC, Adam Levine, Aerosmith, Alice Cooper, Bee Gees, Billy Corgan, Billy Joel, Blondie, Bon Jovi, Chris Cornell, Chris Martin, Chris Stapleton, Counting Crows, Cyndi Lauper, Daryl Hall, Def Leppard, Don Henley, Duran Duran, Ed Sheeran, Elvis Costello, Foo Fighters, Graham Nash, Green Day, James Taylor, Jethro Tull, Jewel, Joe Walsh, John Fogerty, John Legend, Katy Perry, KISS, Lady Gaga, Metallica, Miley Cyrus, Peter Dinklage, Phil Collins, Roger Daltrey, Sheryl Crow, Sia, Sting, Stone Temple Pilots, Weezer, ZZ Top**, and more.

The debut of *Howard Stern's Saturday Soundtracks* will feature video of **Cheap Trick's "I**

Want You to Want Me" (2006), and audio of **Dave Grohl's** first-ever unplugged performance of "Everlong" (1998), **Lady Gaga's** solo piano rendition of "Million Reasons" (2016), and **James Taylor** singing "Fire & Rain" (2015).

In addition to showcasing musical performances, Howard Stern Video via the newly re-designed SiriusXM app also provides subscribers with Howard's full-length interviews with celebrity guests and highlighted show clips and specials.

SiriusXM subscribers with streaming access can listen to SiriusXM's 200+ channels – including Howard 100 and Howard 101 – at home on a wide variety of connected devices including smart TVs, Amazon Alexa devices, Apple TV, Sony PlayStation, Roku, Sonos speakers and more. Go to www.SiriusXM.com/AtHome to learn more.

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results and the timing of events to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract or increase the number of subscribers, which is uncertain; our ability to profitably attract and retain more price-sensitive consumers; failure to protect the security of personal information about our customers; interference to our service from wireless operations; a decline in the effectiveness of our extensive marketing efforts; consumer protection laws and their enforcement; our failure to realize benefits of acquisitions or other strategic initiatives, including the acquisition of Pandora Media, Inc.; unfavorable outcomes of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry; general economic conditions; existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; rapid technological and industry changes; failure of third parties to perform; our failure to comply with FCC requirements; modifications to our business plan; our indebtedness; damage to our studios, networks or other facilities as a result of terrorism or natural catastrophes; our principal stockholder has significant influence

over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock; impairment of our business by third-party intellectual property rights; and changes to our dividend policies which could occur at any time. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2018, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
