Cheniere Announces Substantial Completion of Train 6 at the Sabine Pass Liquefaction Project

HOUSTON--(BUSINESS WIRE)-- Cheniere Energy Partners, L.P. ("Cheniere Partners") (NYSE American: CQP), a subsidiary of Cheniere Energy, Inc. ("Cheniere") (NYSE American: LNG), announced today that Substantial Completion of Train 6 at the Sabine Pass liquefaction project in Cameron Parish, Louisiana (the "SPL Project") was achieved on February 4, 2022. Commissioning is complete and Cheniere's engineering, procurement and construction partner, Bechtel Oil, Gas and Chemicals, Inc. ("Bechtel") has turned over care, custody, and control of Train 6 to Cheniere Partners.

Cheniere Partners and Bechtel have now declared Substantial Completion on all six liquefaction trains at the SPL Project ahead of each train's guaranteed completion date and within project budgets. With the achievement of Substantial Completion, financial results of liquefied natural gas ("LNG") sales from Train 6 going forward will be reflected in the statement of operations of Cheniere Partners and its applicable affiliates.

"The accelerated completion of Train 6 once again reflects the world-class standard of execution consistently achieved by the Cheniere and Bechtel teams, and we are proud to have the six train vision of Sabine Pass completed safely, ahead of schedule and on budget," said Jack Fusco, Chairman, President and CEO of Cheniere Partners. "With nine total trains across both the Sabine Pass and Corpus Christi projects, the Cheniere liquefaction platform is the second largest in the world, reliably providing our global customer base with clean, secure and affordable energy. We look forward to opportunities to build upon our platform with disciplined, brownfield growth at both sites in the future."

"Cheniere Partners plays a vital role in delivering reliable and safe energy to communities around the world," said Brendan Bechtel, Chairman and CEO of Bechtel. "For us to be involved in supporting the development of these extraordinary projects is a great source of pride and we're honored to help bring Cheniere's vision to reality."

"We have built a great partnership, based on trust and shared goals, that continues to deliver cleaner and more affordable energy for an ever-rising global demand for lower carbon alternatives," added Paul Marsden, President of Bechtel Energy.

About Cheniere Partners

Cheniere Partners owns the Sabine Pass LNG terminal located in Cameron Parish, Louisiana, which has natural gas liquefaction facilities consisting of six operational liquefaction Trains, with a total production capacity of approximately 30 mtpa of LNG. The Sabine Pass LNG terminal also has operational regasification facilities that include five LNG storage tanks, vaporizers, and two marine berths with a third marine berth under

construction. Cheniere Partners also owns the Creole Trail Pipeline, which interconnects the Sabine Pass LNG terminal with a number of large interstate pipelines.
