

AUDIT COMMITTEE CHARTER
OF THERMON GROUP HOLDINGS, INC.
(together with its direct and indirect subsidiaries, the “*Company*”)

As adopted by the board of directors of the Company, effective May 18, 2021.

Purpose

The purpose of the Audit Committee (the “*Committee*”) of the Board of Directors (the “*Board*”) of the Company is to (i) assist the Board in its oversight of (a) the integrity of the Company’s financial statements, (b) the Company’s compliance with legal and regulatory requirements, (c) the qualifications and independence of the Company’s external auditor (the “*Independent Auditor*”), and (d) the performance of the Company’s internal auditing department (“*Internal Audit*”) and the Independent Auditor; and (ii) prepare the report of the Committee required to be included in the Company’s annual report or proxy statement.

The Board recognizes that while the Committee has been given certain duties and responsibilities pursuant to this Charter, the Committee is not responsible for guaranteeing the accuracy of the Company’s financial statements or the quality of the Company’s accounting and financial reporting processes. The fundamental responsibility for the Company’s financial statements and disclosures rests with management and the Independent Auditor. The Board also recognizes that meeting the responsibilities of an Audit Committee requires a degree of flexibility. To the extent that procedures included in this Charter go beyond what is required of an Audit Committee by existing law and regulation, such procedures are meant to serve as guidelines rather than inflexible rules and the Audit Committee may adopt such different or additional procedures as it deems necessary from time to time.

Composition of the Committee

The Committee shall be comprised of three or more directors, each of whom (i) meets the independence requirements of the New York Stock Exchange (the “*NYSE*”) and (ii) otherwise satisfies the applicable requirements for audit committee service imposed by the Securities Exchange Act of 1934, as amended (together with the rules and regulations promulgated thereunder, the “*Exchange Act*”), and the NYSE. No director who serves on the audit committee of more than two public companies other than the Company shall be eligible to serve as a member of the Committee. Determinations as to whether a particular director satisfies the requirements for membership on the Committee shall be made by the Board.

At least one member of the Committee shall be an “audit committee financial expert” in accordance with the rules of the Securities and Exchange Commission, and at least one member (who may also serve as the audit committee financial expert) shall have accounting or related financial management expertise. The designation or determination by the Board of a person as an audit committee financial expert will not impose on such person individually, on the Committee, or on the Board as a whole, any greater duties, obligations or liability than would exist in the absence of such designation or determination. All other members of the Committee shall be financially literate. To effectively perform his or her role, each Committee member will obtain an understanding of the detailed responsibilities of Committee membership as well as the Company’s business, operations and risks.

Members of the Committee shall be appointed by the Board on the recommendation of the

Nominating and Corporate Governance Committee. Members of the Committee shall serve for such terms as the Board may determine, or until their earlier resignation, death or removal by the Board. Committee members may be removed by the Board in its complete discretion.

Meetings

The Committee shall meet with such frequency and at such intervals as it shall determine is necessary to carry out its duties and responsibilities, but in any case, not less than four times a year. The Board shall designate one member of the Committee to serve as its chairperson. The Committee will meet at such times as determined by its chairperson or as requested by any two of its members. Notice of all Committee meetings shall be given, and waiver thereof determined, and all actions of the Committee shall be taken, pursuant to and in accordance with the Company's bylaws. The chairperson will preside, when present, at all meetings of the Committee. The Committee may meet by telephone, video conference or similar means of remote communication and may take action by unanimous written consent of all Committee members.

Each member of the Committee shall have one vote. One-third of the Committee members, but not less than two members, shall constitute a quorum. The Committee shall be authorized to take any permitted action only by the affirmative vote of a majority of the Committee members present at any meeting at which a quorum is present, or by the unanimous written consent of all of the Committee members.

The Committee shall maintain copies of minutes of each meeting of the Committee, and each written consent to action taken without a meeting, reflecting the actions so authorized or taken by the Committee. A copy of the minutes of each meeting and all consents shall be placed in the Company's minute book.

Delegation

The Committee may form and delegate authority to subcommittees consisting of one or more members when it deems appropriate, including the authority to grant pre-approvals of audit and permitted non-audit and tax services, provided that decisions of such subcommittee to grant pre-approvals and take any other actions shall be presented to the full Committee at its next scheduled meeting.

External Advisors

The Committee shall have the sole authority to obtain, at the Company's expense, but at funding levels determined by the Committee, advice and assistance from outside legal, accounting or other advisors to assist with the execution of its duties and responsibilities as set forth in this Charter. The Committee shall also have authority to obtain advice and assistance from any officer or employee of the Company and to require any officer or employee of the Company or the Company's outside counsel or Independent Auditor to attend a meeting of the Committee or to meet with any members of, or advisors to, the Committee. The Committee shall have full, unrestricted access to Company records.

Pre-approve all audit and permitted non-audit and tax services to be provided to the Company by the Independent Auditor, subject to the de minimis exceptions for non-audit services which are approved by the Committee prior to the completion of the audit. Discuss with the Independent Auditor any issues or relationships disclosed in such report that, in the judgment of the Committee, may have an impact on the competence or independence of the Independent Auditor.

material items that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the Independent Auditor, and (c) other material written communications between the Independent Auditor and management, such as any management letter or schedule of unadjusted differences. Review any reports on such topics or similar topics prepared by management. Discuss with the Independent Auditor any material issues raised in such reports.

22. Discuss policies with respect to risk assessment and risk management, the Company's major litigation, data and cyber security, and financial risk exposures and the steps management has taken to monitor and control such exposures, it being understood that it is the job of management to assess and manage the Company's exposure to risk and that the Committee's responsibility is to discuss guidelines and policies by which risk assessment and management are undertaken.

23. Set clear hiring policies for employees or former employees of the Independent Auditor and oversee the hiring of any personnel from the Independent Auditor into positions within the Company in accordance with the hiring restrictions of the Sarbanes-Oxley Act of 2002.

24. Establish procedures for (i) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters and (ii) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.
