BIOLASE Inc. Announces Closing of \$4.5 Million Underwritten Public Offering of Series H Convertible Redeemable Preferred Stock and Warrants

LAKE FOREST, Calif., May 26, 2023 /PRNewswire/ -- BIOLASE, Inc. (NASDAQ: BIOL) ("BIOLASE" or the "Company"), a global leader in dental lasers, today announced the closing of its previously announced underwritten public offering of 175,000 units (the "Units"), with each Unit consisting of one share of BIOLASE's Series H Convertible Redeemable Preferred Stock, par value \$0.001 per share, with a liquidation preference of \$50.00 per share (the "Series H Convertible Preferred Stock"), and one warrant (the "Warrants") to purchase one-half of one (0.50) share of Series H Convertible Preferred Stock.

The purchase price for one Unit was \$26.00, which reflects the issuance of the Series H Convertible Preferred Stock with an original issue discount. The Series H Convertible Preferred Stock has a term of two (2) years and is convertible at the option of the holder at any time into shares of BIOLASE common stock at a conversion price of \$0.1398.

Dividends on the Series H Convertible Preferred Stock will be paid, if and when declared by the Board of Directors, in-kind ("PIK dividends") in additional shares of Series H Convertible Preferred Stock based on the stated value of \$50.00 per share at a dividend rate of 20.0%. The PIK dividends will be a one-time payment payable to holders of the Series H Convertible Preferred Stock of record at the close of business on the one-year anniversary of the closing date of the offering.

The Warrants have a term of two (2) years. Each Warrant has an exercise price of \$13.00 (50.0% of the public offering price per Unit) per one-half of one share of Series H Convertible Preferred Stock, is exercisable for one-half of one (0.5) share of Series H Convertible Preferred Stock and is immediately exercisable.

Lake Street Capital Markets, LLC and Maxim Group LLC acted as joint bookrunners for the offering.

The gross proceeds to BIOLASE from the offering, before underwriting discounts and commissions and offering expenses, are expected to be approximately \$4.5 million. BIOLASE intends to use the net proceeds from the offering for working capital and for

general corporate purposes.

A registration statement on Form S-1 (File No. 333-271660) relating to the securities being offered was previously filed with, and declared effective by, the U.S. Securities and Exchange Commission (the "SEC") on May 24, 2023. The offering was made only by means of a prospectus that forms a part of the registration statement. The final prospectus relating to the offering was filed with the SEC on May 25, 2023 and is available on the SEC's website, located at www.sec.gov. Alternatively, copies of the prospectus may be obtained from Lake Street Capital Markets, LLC, Attn: Syndicate Department, 920 Second Avenue South, Suite 700, Minneapolis, MN 55402, by calling (612) 326-1305, or by emailing syndicate@lakestreetcm.com.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy these securities, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

About BIOLASE

BIOLASE is a medical device company that develops, manufactures, markets, and sells laser systems in dentistry and medicine. BIOLASE's products advance the practice of dentistry and medicine for patients and healthcare professionals. BIOLASE's proprietary laser products incorporate approximately 266 actively patented and 25 patent-pending technologies designed to provide biologically and clinically superior performance with less pain and faster recovery times. BIOLASE's innovative products provide cutting-edge technology at competitive prices to deliver superior results for dentists and patients. BIOLASE's principal products are dental laser systems that perform a broad range of dental procedures, including cosmetic and complex surgical applications. From 1998 through December 31, 2022, BIOLASE has sold over 45,500 laser systems in over 80 countries around the world. Laser products under development address BIOLASE's core dental market and other adjacent medical and consumer applications.
