MacDermid Graphics Solutions Appoints Brad Wills as Senior Vice President and General Manager for the Graphics Solutions Business

(Atlanta, GA USA) – MacDermid Graphics Solutions, a subsidiary of Element Solutions Inc, announced today the appointment of Brad Wills as Senior Vice President and General Manager, effective April 13, 2020.

Based out of Atlanta, GA, Brad is responsible for the global Graphics Solutions business and charged with leading this world-class organization to continued success. Brad joins MacDermid after a 26-year career at Schawk, SGK, and Matthews companies, where he served in numerous regional and global business and operational leadership roles. During this time, Brad also spent 15 years living and working in Asia, building and integrating a diverse and high-performing world-class organization. He has also spent a great deal of time in the UK, Europe, and Latin America markets, leading the development and operational activities and opportunities.

Brad earned a Bachelor of Arts in Graphic Communications from Illinois State University. Brad and his wife Judy will be relocating to Atlanta.
