Nashville's Number One Christian Radio Station Expands Its Reach Into Rutherford and Cannon Counties

NASHVILLE, TN -- (Marketwire) -- 07/16/12 -- [Salem Communications](#) Corporation (NASDAQ: SALM), a leading U.S. radio broadcaster, Internet content provider, and magazine and book publisher targeting audiences interested in Christian and conservative opinion content, announced today [94-FM The FISH](#), heard on 93.7-FM and 94.1-FM in Nashville, has added a third frequency in Middle Tennessee, 104.9-FM, extending its reach into metro Nashville's Rutherford and Cannon counties beginning Friday, July 13 at 4pm.

Station general manager and vice president Mike Miller says, "For 10 years we've provided a positive, life impacting experience for middle Tennesseans. Audience estimates continue to indicate that middle Tennessee has fabulously embraced the adult contemporary Fish format heard on 93.7-FM and 94.1-FM.

"As such, we're very excited to expand delivery of the Fish's message of hope and encouragement into Murfreesboro homes and offices with the addition of The Fish on Rutherford and Cannon County's 104.9-FM."

Rutherford County has the youngest median age of Tennessee's 95 counties and is the predominant population area for 104.9's coverage area.

To that end Miller adds, "We're not only very excited about continuing to provide a safe and encouraging haven for those we've served for 10 years, but now, we're doubly excited to better serve Tennessee's fastest growing area. The Fish's message of hope and encouragement through our 'Safe for the Whole Family' programming will serve this community well."

2012 is shaping up to be a banner year for 94-FM The FISH as it celebrates its 10th anniversary in August. Its Family Friendly Morning Show™ with Doug and Jaci Velasquez can be heard every weekday morning from 5am to 9am.
