Salem Media Group Launches Provocative New Documentary: What Is a Doctor?

CAMARILLO, Calif.--(BUSINESS WIRE)-- [Salem Media Group, Inc.](#) (OTCQX: SALM) announced today the exclusive release of *What Is a Doctor?*, a hard-hitting new documentary now streaming on SalemNOW. Produced in partnership with America's Frontline Doctors, the film exposes the dangerous shift in modern medicine as ideology and censorship replace ethics and trust.

Dr. Simone Gold, founder of America's Frontline Doctors, leads this unapologetic examination of how medicine is being politicized, threatening free speech, medical autonomy, and the core doctor-patient relationship.

"This is a wake-up call," said Dr. Gold. "We're watching medicine become weaponized against the people it's meant to serve. This film asks the question every American should be asking: Who does your doctor work for?"

What Is a Doctor? explores the suppression of dissenting medical voices, the intimidation of doctors through licensing threats, and the disturbing indoctrination happening in medical schools. It's not just a documentary—it's a warning.

Robert Ellis, General Manager of SalemNOW, added, "We're proud to give a platform to voices willing to stand for truth. This film is essential viewing for anyone who believes medical freedom is worth protecting."

SalemNOW remains the streaming home for bold, truth-telling content, featuring exclusive films, news, and commentary from voices such as Dinesh D'Souza, Dennis Prager, Charlie Kirk, Lara Trump, and Larry Elder.
