ToughBuilt Launches Products with Home Depot Canada and Starts Receiving Purchase Orders

LAKE FOREST, Calif., Aug. 27, 2019 (GLOBE NEWSWIRE) -- **ToughBuilt Industries, Inc.** (“**ToughBuilt**”) (NASDAQ: TBLT; TBLTU; TBLTW) , a leading designer, manufacturer and distributor of innovative tools and accessories for the building industry, today announced it has announced it has formally launched product sales with Home Depot Canada and started receiving purchase orders . Home Depot Canada is one of Canada's top home improvement retailers consisting of 182 stores. Home Depot Canada has stores in all ten Canadian provinces and serves Territorial Nunavut, Northwest Territories, and Yukon.

Michael Panosian, Chief Executive Officer of ToughBuilt, commented, “We are looking forward to launching our products within Home Depot Canada, which supplements our established relationship with Home Depot in the U.S. We expect to see a consistent flow of orders from Home Depot Canada over the next year. This increases our North American and international footprint and augments our relationship with one of the premier home improvement retailers. We will be supplying tools and accessories under the ToughBuilt brand. We continue to gain traction expanding our network in the U.S. and abroad with what we believe to be our superior quality products which continue to gain recognition.”

About ToughBuilt Industries, Inc.

ToughBuilt is a groundbreaking designer, manufacturer and distributor of innovative tools and accessories to the building industry. We market and distribute various home improvement and construction product lines for both the do-it-yourself and professional markets under the TOUGHBUILT® brand name, within the global multibillion dollar per year tool market industry. All of our products are designed by our in-house design team. Since launching product sales in 2013, we have experienced significant annual sales growth. Our current product line includes three major categories, with several additional categories in various stages of development, consisting of Soft Goods & Kneepads and Sawhorses & Work Products. Our mission is to provide products to the building and home improvement communities that are innovative, of superior quality derived in part from enlightened creativity for our end users while enhancing performance, improving well-being and building high brand loyalty. Forward-Looking Statements

This press release contains “forward-looking statements.” Such statements may be preceded by the words “intends,” “may,” “will,” “plans,” “expects,” “anticipates,” “projects,” “predicts,” “estimates,” “aims,” “believes,” “hopes,” “potential” or similar words. Forward-looking statements are not guarantees of future performance, are based on certain

assumptions and are subject to various known and unknown risks and uncertainties, many of which are beyond the Company's control, and cannot be predicted or quantified and consequently, actual results may differ materially from those expressed or implied by such forward-looking statements. Such risks and uncertainties include, without limitation, risks and uncertainties associated with (i) market acceptance of our existing and new products, (ii) negative clinical trial results or lengthy product delays in key markets, (iii) an inability to secure regulatory approvals for the sale of our products, (iv) intense competition in the medical device industry from much larger, multinational companies, (v) product liability claims, (vi) product malfunctions, (vii) our limited manufacturing capabilities and reliance on subcontractors for assistance, (viii) insufficient or inadequate reimbursement by governmental and other third party payers for our products, (ix) our efforts to successfully obtain and maintain intellectual property protection covering our products, which may not be successful, (x) legislative or regulatory reform of the healthcare system in both the U.S. and foreign jurisdictions, (xi) our reliance on single suppliers for certain product components, (xii) the fact that we will need to raise additional capital to meet our business requirements in the future and that such capital raising may be costly, dilutive or difficult to obtain and (xiii) the fact that we conduct business in multiple foreign jurisdictions, exposing us to foreign currency exchange rate fluctuations, logistical and communications challenges, burdens and costs of compliance with foreign laws and political and economic instability in each jurisdiction. More detailed information about the Company and the risk factors that may affect the realization of forward looking statements is set forth in the Company's filings with the Securities and Exchange Commission (SEC), including the Company's Annual Report on Form 10-K and its Quarterly Reports on Form 10-Q. Investors and security holders are urged to read these documents free of charge on the SEC's web site at <http://www.sec.gov>. The Company assumes no obligation to publicly update or revise its forward-looking statements as a result of new information, future events or otherwise.
