TeraWulf Inc. Announces Proposed Public Offering of Common Stock

EASTON, Md., April 11, 2022 /PRNewswire/ -- TeraWulf Inc. (NASDAQ: WULF) ("TeraWulf" or the "Company"), which owns and operates fully integrated environmentally clean bitcoin mining facilities in the United States, today announced that it is commencing an underwritten public offering of its common stock (the "Offering"). TeraWulf also expects to grant to the underwriter for the Offering a 30-day option to purchase up to an additional 15% of the number of shares of common stock offered in the public offering. All of the shares to be sold in the Offering will be sold by TeraWulf, subject to customary closing conditions. TeraWulf intends to use the net proceeds from the Offering for mining operations and digital asset infrastructure and for working capital and general corporate purposes. Certain of TeraWulf's existing investors, including the Company's Chief Executive Officer Paul Prager, have agreed to purchase \$5,000,000 of shares of the Company's common stock, at a price of \$7.88 per share (the last reported sale price of the common stock on the Nasdaq on April 8, 2022) in a private offering, which is expected to close prior to or concurrently with the closing of the Offering.

Cantor Fitzgerald & Co. is acting as sole book-running manager for the Offering.

The Offering is being made pursuant to a shelf registration statement (File No. 333-262226) declared effective by the Securities and Exchange Commission ("SEC") on February 4, 2022. A preliminary prospectus supplement relating to the Offering will be filed with the SEC. The securities may be offered only by means of a written prospectus, including a prospectus supplement, forming a part of the effective registration statement. When available, copies of the preliminary prospectus supplement and accompanying base prospectus relating to the Offering may be obtained from the SEC at <http://www.sec.gov>. Alternatively, copies of the preliminary prospectus supplement and the accompanying prospectus relating to the Offering can be obtained, when available, from Cantor Fitzgerald & Co., Attn: Capital Markets, 499 Park Avenue, 6th floor, New York, NY 10022; Email: prospectus@cantor.com. The final terms of the Offering will be disclosed in a final prospectus supplement to be filed with the SEC.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy these securities, nor shall there be any sale of these securities in any state or other jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such state or other jurisdiction.

About TeraWulf

TeraWulf (Nasdaq: WULF) was formed by an experienced group of energy entrepreneurs to own and operate fully integrated environmentally clean bitcoin mining facilities in the United States. The Company is developing two mining facilities, Lake Mariner in New York and Nautilus Cryptomine in Pennsylvania, with the objective 800 megawatts of mining capacity

deployed by 2025, enabling over 23 exahash per second of expected hashrate. TeraWulf will generate domestically produced bitcoin powered by nuclear, hydro and solar energy with a goal of utilizing 100% zero-carbon energy. With a core focus of ESG that ties direction to its business success, TeraWulf expects to offer attractive mining economics at an industrial scale.
