MAIA Biotechnology to Participate in Four Upcoming Investor Conferences

CHICAGO--(BUSINESS WIRE)-- MAIA Biotechnology, Inc. (NYSE American: [MAIA](#)) ("MAIA," "the Company") announced today that the management team will participate in the four upcoming investor conferences as follows:

- Biotech Showcase: The Investor Conference for Innovators will be held in-person in San Francisco from January 9-11, and virtually from January 18-19. The MAIA team will host investor meetings and is scheduled to present on Monday, January 9 at 4:00 pm PT. The webcast will be available on the [News & Events](#) page of the Investors section of the Company's website and the replay will be available for 60 days following the event.
- One-on-One Partnering at JPM in San Francisco from January 9-12. The management team will host meetings through BIO One-on-One Partnering at JPM.
- January 2023 Sidoti Micro-Cap Virtual Conference from January 18-19. The MAIA team will conduct investor meetings at this event.
- BIO CEO & Investor Conference will be held in-person in New York City from February 6-7 and virtually from February 8-9. The management team plans to conduct investor meetings and to present with the webcast available on the [News & Events](#) page of the Investors section of the Company's website.

Enrollment is underway in the Part A safety lead-arm of the THIO-101 Phase 2 clinical trial evaluating, THIO, an investigational telomere-targeting agent, in patients with advanced Non-Small Cell Lung Cancer (NSCLC). In the coming weeks, the Company expects to report data from the Part A arm.

About THIO

THIO (6-thio-dG or 6-thio-2'-deoxyguanosine) is a telomere-targeting agent currently in clinical development to evaluate its activity in non-small cell lung cancer (NSCLC), in sequential administration with LIBTAYO® (cemiplimab) an anti-PD1 therapy, developed and commercialized by Regeneron.
