

Boardwalktech engages Grit Capital as investor relations advisor

-Enterprise Blockchain Company Trading on TSX Venture Exchange-

CUPERTINO, CA, July 5, 2018 /PRNewswire/ - (TSXV:BWLK) – Boardwalktech Software Corp. ("Boardwalktech") announced that in connection with its June 11, 2018 listing on the TSX Venture Exchange, Boardwalktech has engaged Grit Capital Advisory ("Grit Capital") to provide investor relations and shareholder communications services.

Boardwalktech was the first company to offer a digital ledger which chained enterprise events and data as transactions, showing the provenance of all data changes — effectively an enterprise blockchain. Boardwalktech has completed work on enterprise blockchain extensions to the Boardwalk platform now offered as part of our new Boardwalk Enterprise Blockchain digital ledger service that is focused on supporting enterprise blockchain applications. Boardwalktech has been building secure, multi-party applications that has enabled intra-/ inter-enterprise alignment on its patented digital ledger technology platform for more than 10 years for many companies included in the Fortune/Global 500.

"As a powerful enterprise blockchain technology that can be used across multiple verticals and application domains, Boardwalktech's service offers the enterprise an onramp to Blockchain technology enabling them to gain immediate value across enterprise business operations while sidestepping many of the challenges enterprises are reportedly experiencing with fully decentralized blockchain approaches. As a result, customers can realize immediate efficiencies, and support new transformative business models and revenue sources through the elevation of security and trust in multi-party transactions," said Andrew T. Duncan, President and CEO of Boardwalktech Software Corp.

In connection with the engagement, Grit Capital, capital market advisory firm based in Toronto, Canada has been granted 50,000 Restricted Stock Units to be vested annually over a period of 3 years.

About Boardwalktech Software Corp.

Founded in 2004, Boardwalktech has developed a patented digital ledger technology that allows for multi-party collaboration and verification on a trusted, shared, secure, and private information cloud. Our Boardwalk Enterprise Blockchain data management platform allows rapid blockchain application development on many platforms using any user interface, supporting both on/off-chain "smart contract" business logic, integration with legacy systems and an easy method of connecting all participants (Boardwalk virtual machines) enabling the exchange of secure and validated digital business information.

Boardwalktech is headquartered in Cupertino, California with offices in India and operations in North America. For more information on Boardwalktech, visit our website at www.boardwalktech.com.

Forward-Looking Information and Statements

This press release contains certain "forward-looking information" within the meaning of applicable Canadian securities legislation and may also contain statements that may constitute "forward-looking statements" within the meaning of the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. Such forward-looking information and statements are not representative of historical facts or information or current condition, but instead represent only the Company's beliefs regarding future events, plans or objectives, many of which, by their nature, are inherently uncertain and outside of the Company's control. Generally, such forward-looking information

or statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or may contain statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "will continue", "will occur" or "will be achieved".

By identifying such information and statements in this manner, the Company is alerting the reader that such information and statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such information and statements.

An investment in securities of the Company is speculative and subject to several risks including, without limitation, the risks discussed under the heading "Risk Factors" in the Company's Filing Statement dated May 30, 2018. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in the forward-looking information and forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended.

In connection with the forward-looking information and forward-looking statements contained in this press release, the Company has made certain assumptions. Although the Company believes that the assumptions and factors used in preparing, and the expectations contained in, the forward-looking information and statements are reasonable, undue reliance should not be placed on such information and statements, and no assurance or guarantee can be given that such forward-looking information and statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information and statements. The forward-looking information and forward-looking statements contained in this press release are made as of the date of this press release, and the Company does not undertake to update any forward-looking information and/or forward-looking statements that are contained or referenced herein, except in accordance with applicable securities laws. All subsequent written and oral forward-looking information and statements attributable to the Company or persons acting on its behalf is expressly qualified in its entirety by this notice.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
