Astronics Corporation to Webcast Presentation from B. Riley Annual Investor Conference

EAST AURORA, N.Y.--(BUSINESS WIRE)--

Astronics Corporation (NASDAQ: ATRO), a leading manufacturer of advanced, high performance lighting, electronics and electrical power systems for the global aerospace industry, today announced a live webcast of its upcoming presentation at the B. Riley Las Vegas Annual Investor Conference beginning at 11:15 a.m. on Tuesday, March 13, 2007.

Peter J. Gundermann, President and Chief Executive Officer, will discuss Astronics' growth strategy, its products and services, as well as market opportunities in the global aerospace industry.

The live webcast of the presentation, along with presentation materials, will be available on the Company's website at www.astronics.com. If you are unable to listen to the live presentation, an archive will be made available at www.astronics.com in the Investor Relations section, Calendar of Events page.

The conference will be held at The Palms Casino Resort Hotel in Las Vegas.

Mr. Gundermann will also conduct one-on-one meetings with investors and analysts throughout the day. To schedule a one-on-one meeting or to learn more about the conference, please visit www.brileyco.com.
